FRIENDS ... BELOVED

Dearly Beloved Friends, we were gathered here in the halls of good old MAHS again for the school year of 73-74. We began an ecstasy of good will toward our fellow students.

We shared in the true devotion of friendship during our long, long, much enjoyed, or heavily endured noon time hour. Also during the many fun-filled activities throughout the year, friendship was prevalent.

This year the class of '74' combined Baccalaureate and Commencement all in the same day. Baccalaureate was held Sunday afternoon May 19. Instead of having a guest speaker, class president, Neil Johnson gave a refreshing speech. Commencement started the same day at 8:00 that evening. Garry Boyer gave the Salutatory oration at the beginning of the ceremony. David Pitts followed with the Valedictory statement. Principal Mr. Byron E. Stout read the names on the diplomas and also the awards and schools they were going to this fall. Our new Superintendent, Mr. Leslie D. Pence, presented the Seniors with their diplomas.

Then finally the Seniors heard the words they had waited so long for, "by the powers granted to me by the State of Indiana . . .". Good luck to all members of the Class of 1974.

1. One more time tonight and we'll be ALUMNI! 2. Hey, man, blue and blue go together after all. 3. Neil uses facial expressions to get his meaning across. 4. Did you see the bug in our flowers? 5. Sniff, sniff. This is my last day. 6. Did you ever think of using Head and shoulders for your flakes, Steve?!? 7. Practice makes perfect. 8. Aaron Ernal!!!! 9. David Pitts — 1974 valedictorian. 10. Gee, girls, just think! 11. Smile, Mr. Downey is taking our picture. 12. Garry Boyer — Salutatorian for the class of "74". 13. Kathy, Kathy, and Debby reflect on graduation. 14. A curl here, curl there, curls, curls, everywhere. 15. "Gim'me TEN!"

Voted head of M.A.H.S.

The pressures of an average day at MAHS almost always fall upon the shoulders of the administration during this and every year. This year proved no exception but there were many changes in the staff.

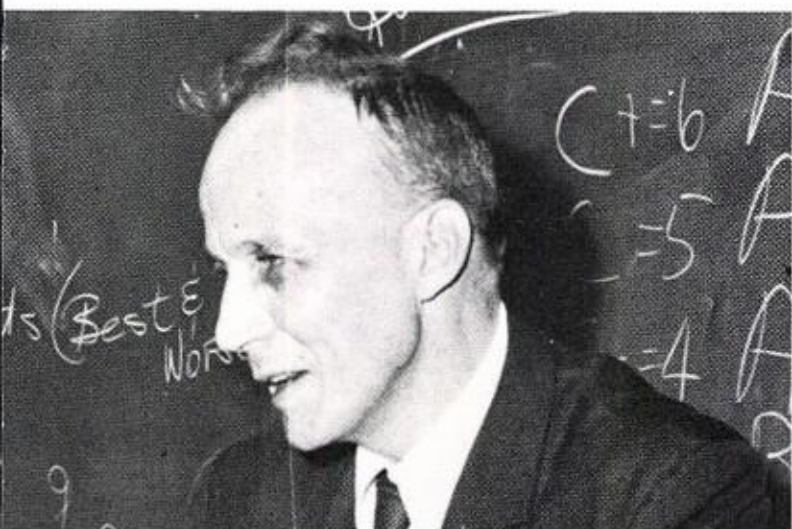

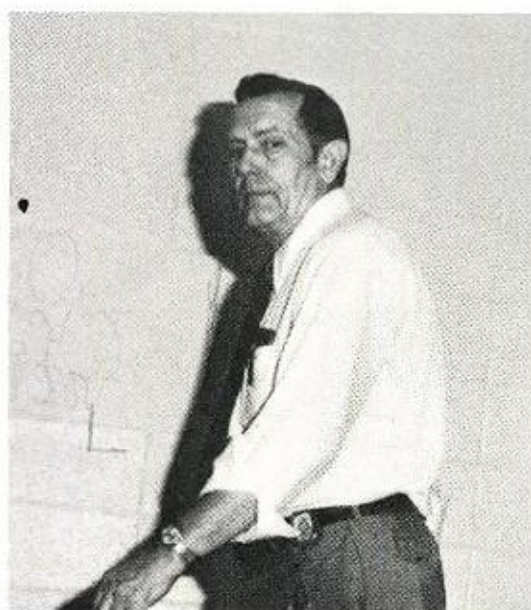

Moving up to become the Vice Principal was Beryl Kouns. Also aiding Mr. Stout as Principal were Mr. Youmans and Mrs. Stahl as the guidance counselors. The students of MAHS welcomed a new superintendent at mid-year when Mr. Bloom resigned and was replaced by Mr. Leslie Pence. These people help to make MAHS the school it is today.

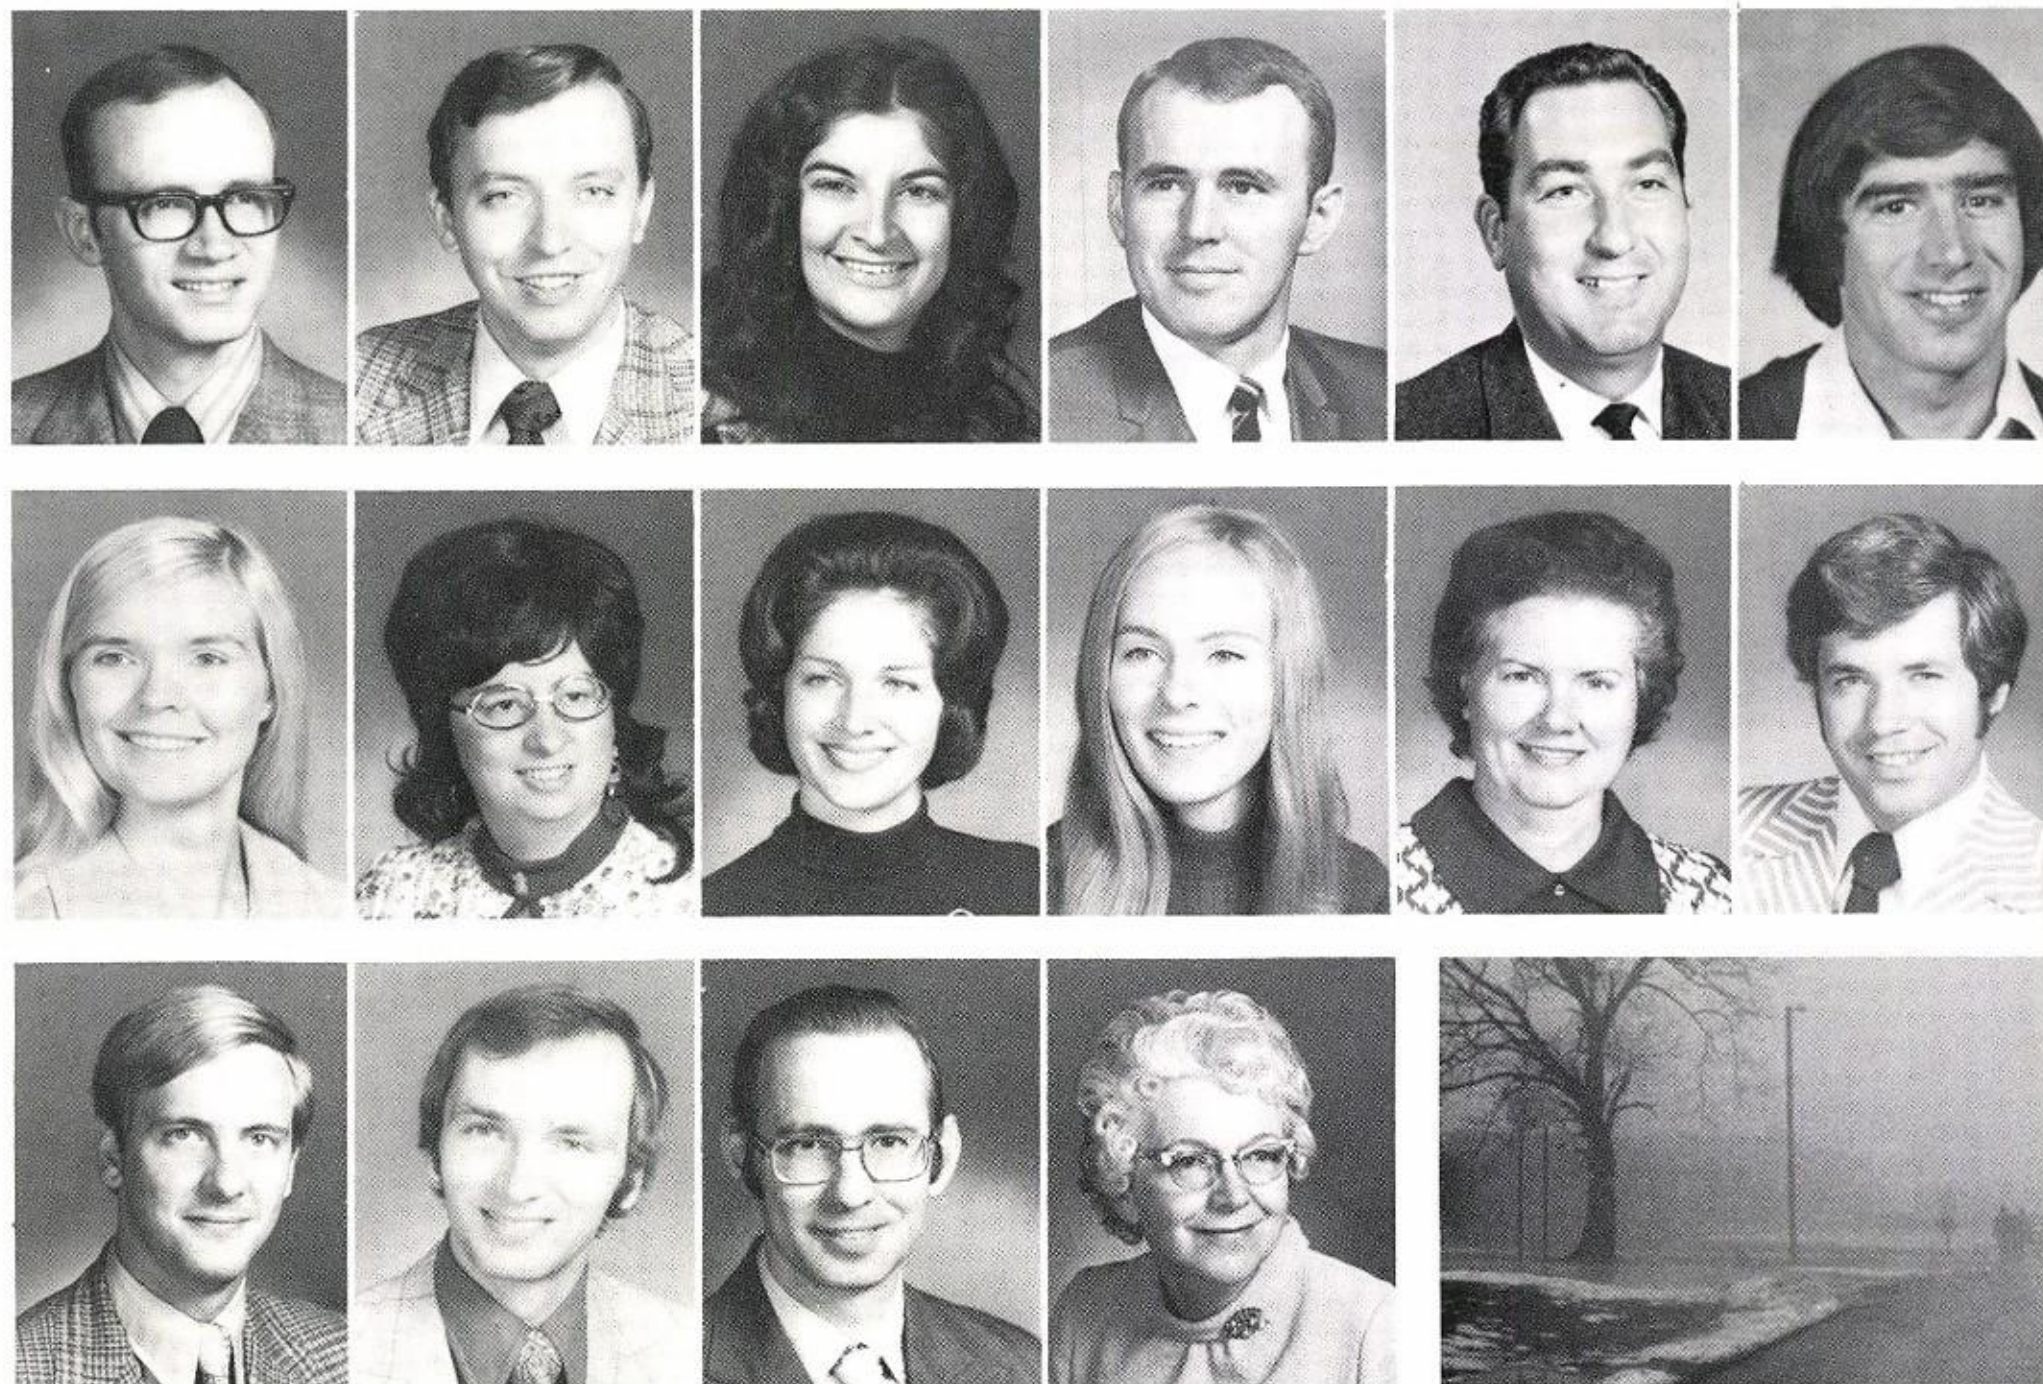

1. School Board, LEFT TO RIGHT; Mr. George Heffelmire, Mr. Russel Wallace, Mr. John Bloom, Mr. Harvey Evoy, Mr. Paul Waitt, Mr. Eugene Walker. 2. Mr. John Bloom, B.S. One more year that

This is our Junior class. We started out very well in the year, by having Cindy Smith as our football princess. She was escorted by Dennis Bagley. At the game we got first place spirit and second place float. Having Chili Suppers, a dance, and working concessions we came to bas-

ketball. Denise Wallace was our Junior princess. Her escort was Ken Noe. During this great event, Mrs. Haughey was declared our class mother.

We managed to have a prom with the help of our sponsors, Mr. Urban and Mr. Moore and some hard-working Juniors.

Sophs pull second with

This year's Sophomores under the leadership of sponsors Mrs. Borgnini and Mr. Abshire and the Class President Dale Pettigrew, sold doughnuts and did other money making projects. Sophomores participated in the float competition at this year's football and basketball homecomings.

Their football float theme was: "Noah Way We Can Lose." And their basketball float, "Dump the Shamrocks" brought them second place. Each Sophomore would agree however, that the highlight of the year was the ordering and receiving of their class rings.

The Class of 1977 began its career as high school students by selecting Tracy Bishop as their first princess. They completed the task by designing their first float christened "Pulling for Victory". A form of initiation was performed by the Seniors for all of the Fresh who didn't wear "I'm a dumb freshman" badges. Rolling an egg down the fifty-yard line was the penalty as the high school welcomed the young-

sters. Their second try came at Hardwood Homecoming when Mary Martz was a member of the court and an attempt was made to "Mow down the Shamrocks".

The money making activities during the year helped the Freshmen to prepare for the Prom that they will give. Considering everything the Class of '77 is off to a flying start.

M.A.H.S. 8th graders

The Class of 1978 earned its place in MAHS history with its fantastic football and basketball teams. The Hawks and Coach Russell left the gridiron with a season record of 6 wins and 1 loss. Coach Hudson and his cagers headed battle after battle and emerged smelling like roses with a shining 14-2 record. Totally the 8th grade had a marvelous year.

Donning their new school clothes, the seventh grade moved from the elementary building to the new high school. The result was mass confusion for the first few weeks, mixed with an exploring urge in all who were unfamiliar with this building. The instinct to run to lunch developed early in the year. (Is the food worth running for?)

Today's Students Are

The Seniors have been working toward their trip for four years with the assistance of Pres. Neil Johnson, V. Pres. Steve Hall, Sec. Sherri Akard, Treas. Jetta McCarty, Sgt. at Arms Niles Robinson.

This year the Junior class has been working very hard selling concessions at football and basketball games. With the help of the officers; Pres. Dennis Bagley, V. Pres. Roger Hammack, Sec. Laura Strough, Treas. Sharon Houserman, Sgt. at Arms Ted Mossburg.

The sophomores carry out the tradition of selling doughnuts and getting their class rings. With the help of the officers; Pres. Dale Pettigrew, V. Pres. Brian Sears, Sec. Julie Inman, Treas. Jody McCarty, Sgt. at Arms Carl King.

Tomorrow's Leaders!

The freshmen are getting off to a good start in their long high school years with officers: Pres. Brett Marsh V. Pres. Tracy Bishop, Sec. Marna Crawford, Treas. Denny Ballard, Sgt. at Arms Jeff McClay.

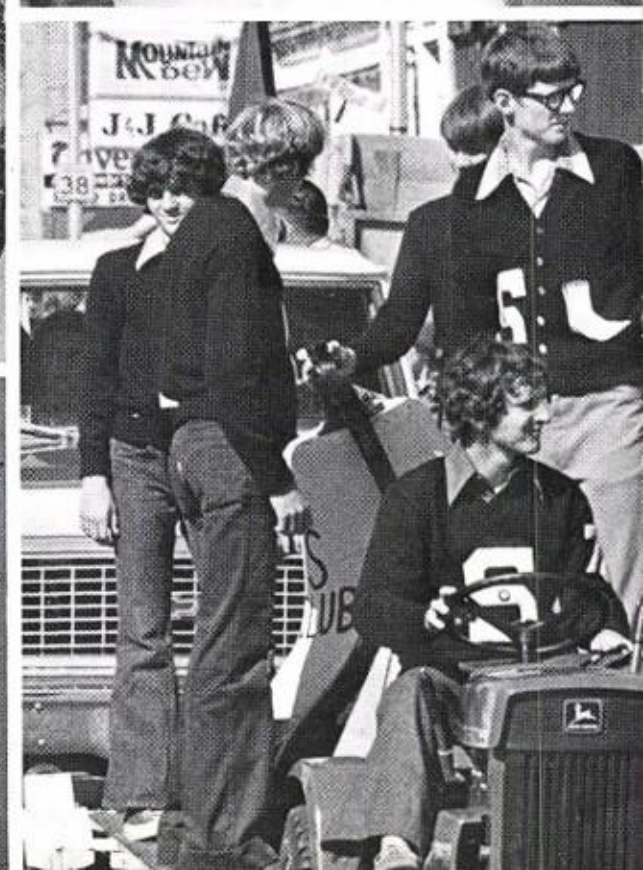

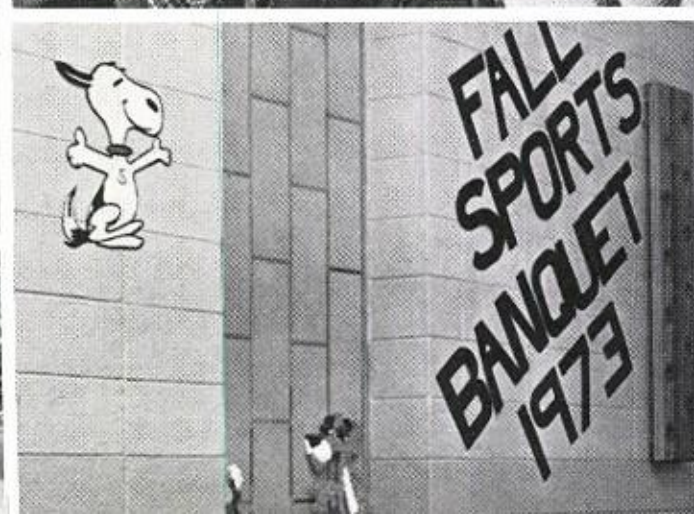

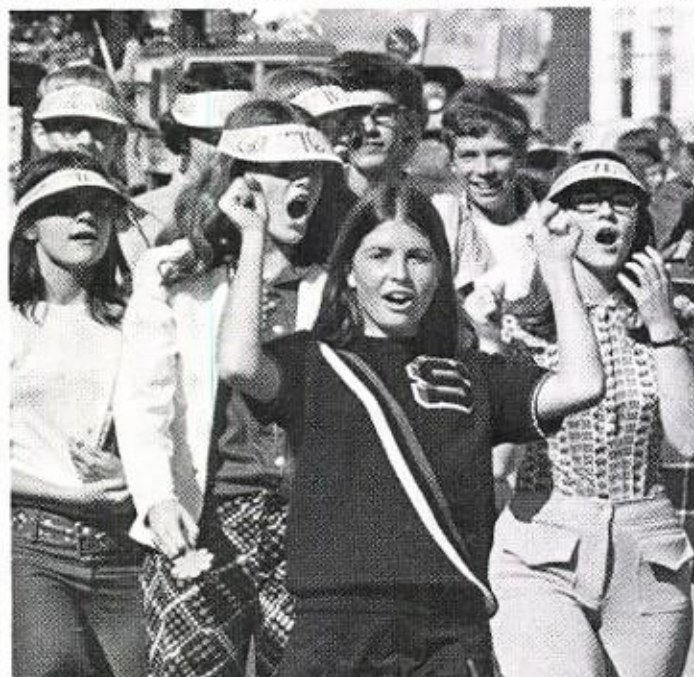

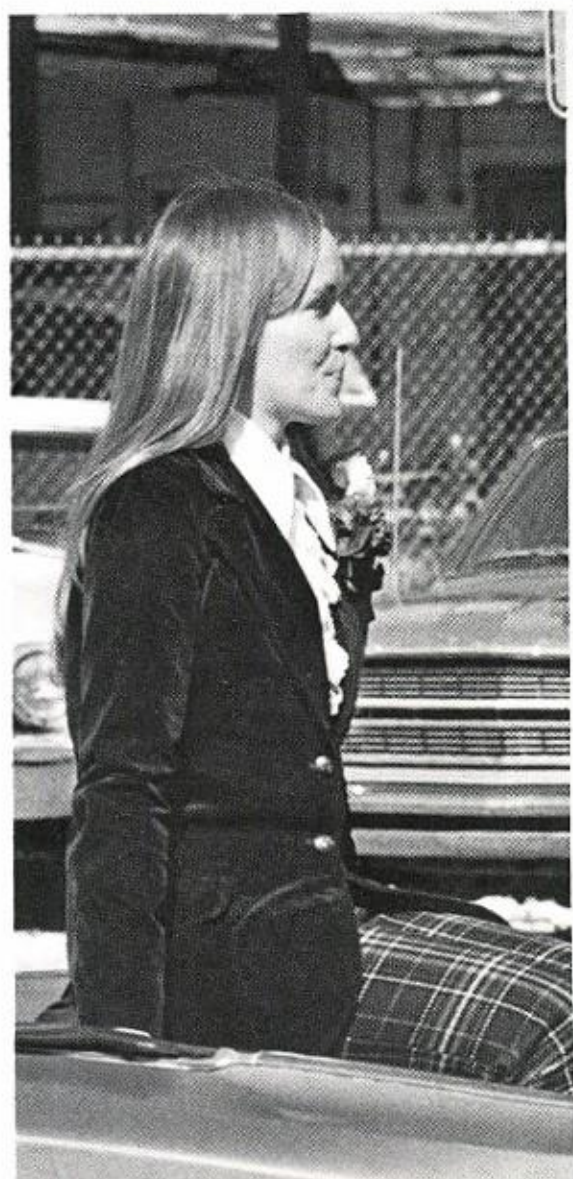

The Eighth graders are getting prepared for their high school years with the help of their officers: Pres. Kyle Buzan, V. Pres. Craig Horton, Treas. Jeff Emry, Sec. Marna Goff, Sgt. at Arms Jeff Manhart.

The Seventh graders find new friends and responsibilities. Their new officers are: Pres. Fred Mossburg, V. Pres. Toni Scott, Sec. Kathy Kinkead, Treas. Joe Godby.

STUDENT LIFE

Gridiron Action — Homecoming Style

Football Homecoming 1973 was Ushered in with a bang on Wednesday as the third annual Powderpuff Football Game was won for the third time by the Class of 74. Thursday found the Hawks drenched at the Bonfire which was put out but the spirit kept blazing as October 5 dawned at last. After fierce competition the Juniors walked away with the spirit stick and the Seniors pulled off the float for the second year with "Titan Victory: Mission Impossible."

The crowning moment for Homecoming '73 came when co-captains Alan Quick and Niles Robinson presented the tiara and flowers to Deanna Alexander during halftime ceremony. Later at the dance Jeff Merriman was crowned King. Members of Dee's court were Seniors Sherri Akard, Susan Dunlavey, and Karen Kouns, Junior — Cindy Smith, Sophomore — Chris Horton, and Freshman — Tracy Bishop.

Dee and Jeff Reign Over Homecoming

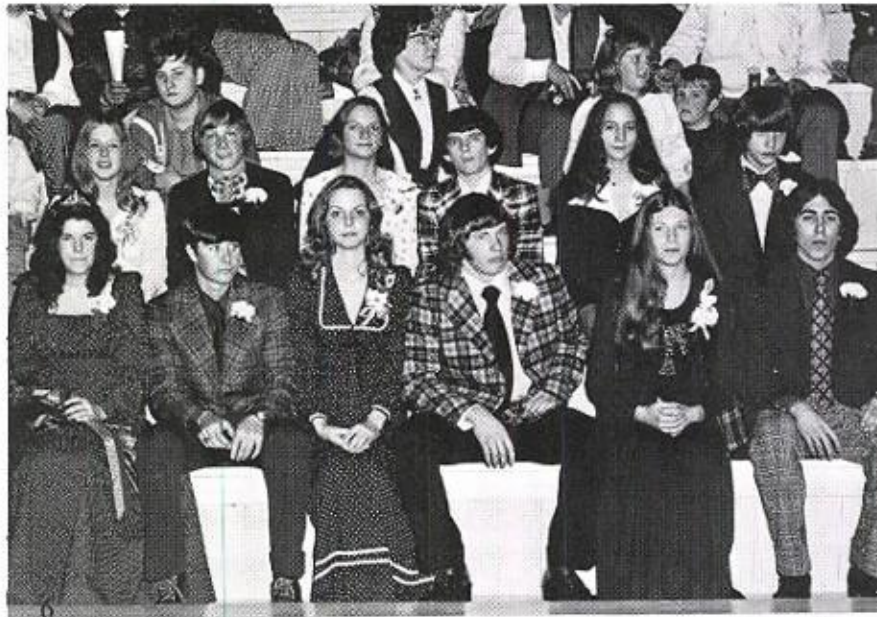

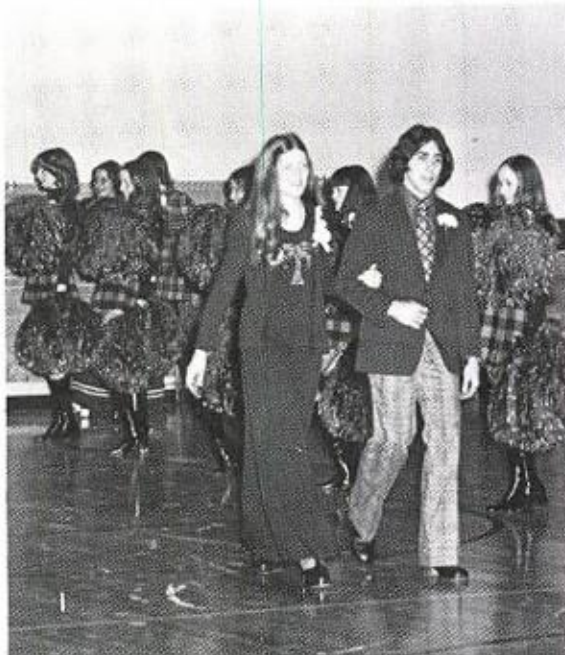

A "Royal" Victory for Marylee

Halftime of the 1974 Hardwood Homecoming brought tears to the eyes of Senior Marylee Waitt. Escorted by Ronnie Walker, Marylee was crowned the Homecoming Queen.

The daughter of Dr. and Mrs. Paul Waitt, Queen Marylee is very active in school. Among her activities include President of Sunshine and editor of the school paper.

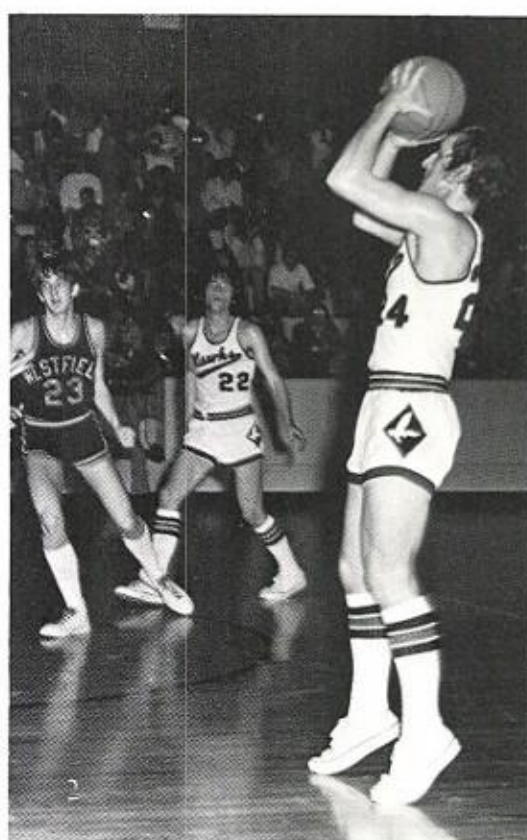

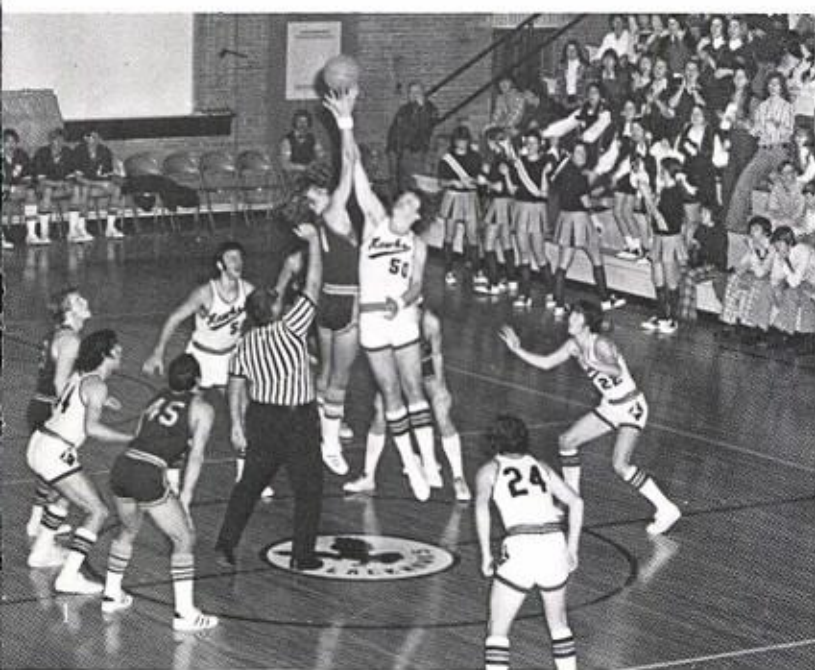

The Queen's court consisted of two Seniors and a princess from each other high school class. Susan Dunlavey and Karen Kouns were the girls chosen by the Seniors. Susan, busy with OEA and Pom pon, is the daughter of Mr. & Mrs. Donald Dunlavey. She was escorted by Jeff Savage. Karen, escorted by Jeff Merriman, is a member of FHA, GAA, & OEA. She is the daughter of Mrs. Robert Kouns. The three princesses of each class make up the

remaining court. These girls are Junior Denise Wallace, Sophomore Kathy Stowers, and Freshman Mary Martz. Ken Noe, Siggi Nejman, and Kent Remson were escorts.

Scenes From a Homecoming Victory

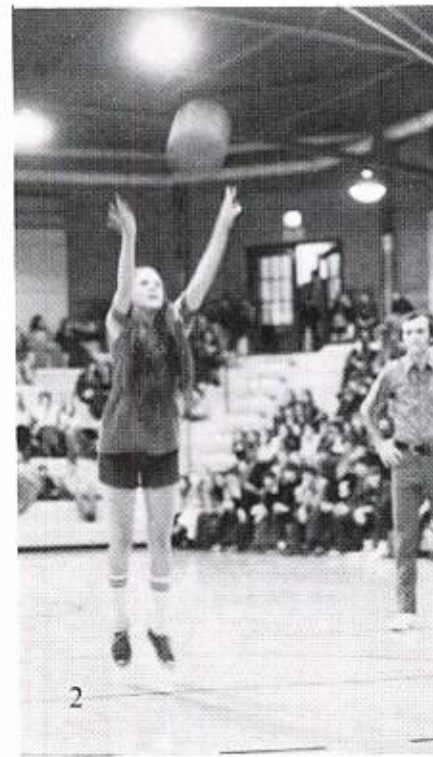

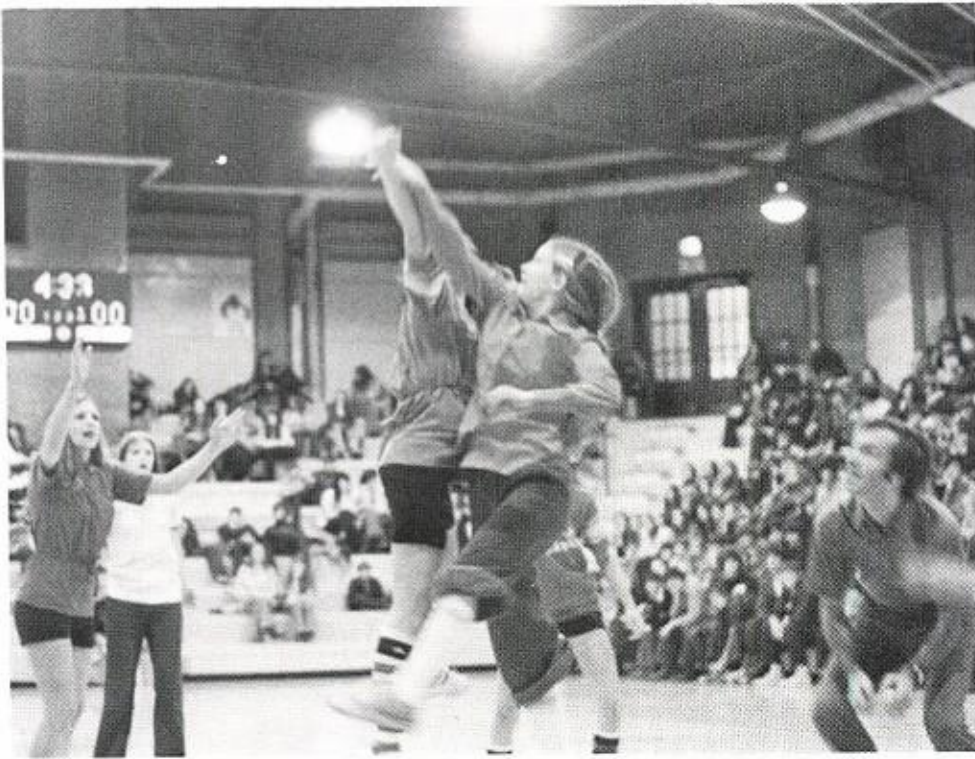

Still smarting from a 58-49 Holiday Tourney loss to Westfield, the red hot Hawks blew the Shamrocks off the floor in the 1974 Hardwood Homecoming battle. From the tip-off, the game belonged to the Hawks but the battle wasn't over until the buzzer sounded and the court was cleared. Sparked by Mike Cook and guard Aaron Good each with 16 points and boosted by forward Alan Quick and guard Tom Waitt who each had 14, the Hawks easily out-distanced the 'Rocks. Others adding to the tally were Chad Glunt with 10 and Chuck Hobson with 4. Giving an outstanding effort on the boards was Mike Cook who grabbed 20 rebounds out of a total 39. The Hawks shot a .516 effort from the floor and even .500 at the free throw line. All agreed it was the Hawks at their best.

Homecoming Weeks Adds a

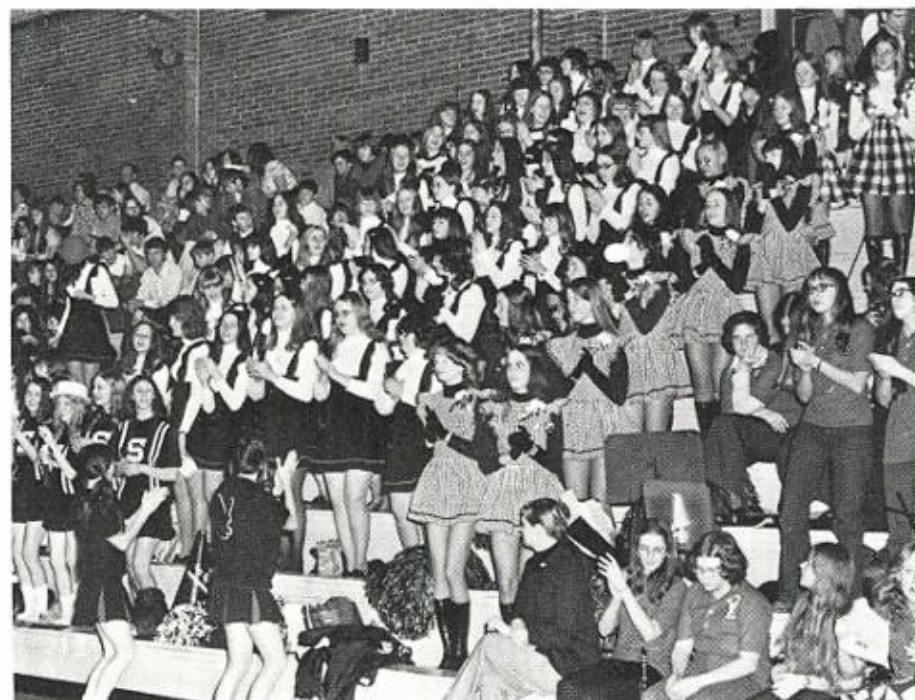

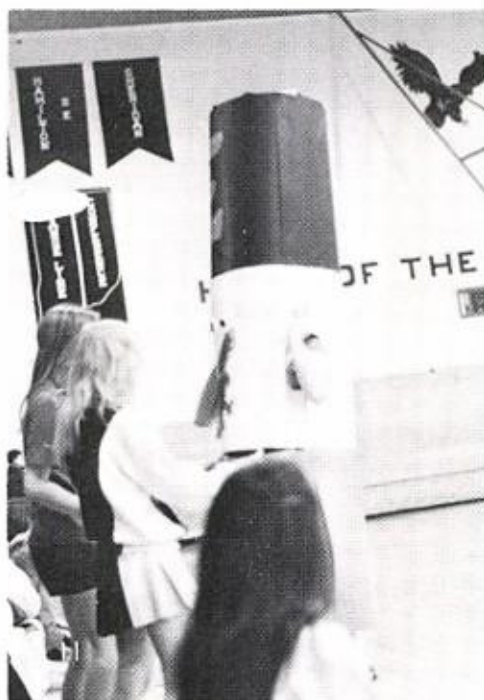

Having the long awaited semester tests during Spirit Week added a touch of panic to the always calm halls of MAHS. The student body came out of their slump and once again proved that the desire was still there. At the pep session the students vocally urged the Hawks to Victory. The Class of '74 came out on top by defeating the Sophomores and the Juniors for the Powderpuff Basketball Championship. Kathy Evoy and Teresa Blackstone crowned the 1974 king,

The 1973 Fall Sports Banquet took place on October 9. This annual affair marked the end of all fall sports — football, cross country, and volleyball. The event opened with Grace given by Teresa Walker and then the pitch-in dinner followed.

With their hunger satisfied, everyone then awaited the presentation of awards and honors. Alan Quick opened the ceremonies with a talk on "What Athletics Has Meant to Me." Following Alan's speech, each coach presented awards to his team members. Cheerleading sponsors also took part by honoring their squads.

Following the presentation of team awards, eligible Seniors were awarded their "S" jackets. Senior cheerleaders also received their coveted "S" blankets.

The 1973 Fall Sports Banquet became history as Maurice Bagley concluded the evening with the Benediction.

5. "Rex, when you said we were going to eat, I thought you meant to a restaurant!!!"
6. "Jim, are you sure it isn't a time bomb!"

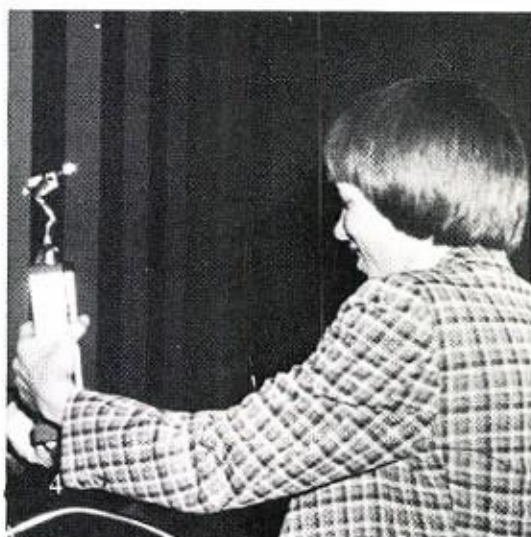

Friday, March 15 marked the end of the winter sports season with the Winter Sports Banquet. The event honored all members on the winter sports teams — basketball, wrestling, swimming — and all cheerleading squads. With the help of the Senior Mothers, the cooks once again added to the pitch-in dinner with extra delicacies.

Award presentations were opened with the speech, "What Athletics Has Meant to Me", by Aaron Good. The procession of coaches followed with brief summaries of the highlights of the season. Mrs. Wiete and Mrs. Harris both expressed gratitude to their cheerleading squads. Following other special presentations, the 1973-74 Winter Sports Banquet became history.

Stunt Night 1974

The fifth annual Stunt Night was a smashing success as the "Sounds of Music" took place on March 21 and 22. The Master's of Ceremonies were Neil Johnson and Steve Rodgers and they kept the joint hopping. To start the show off right, the Swing Choir performed "Do Re Mi" and were followed by Ricardo the Magnificent and his apple eating contest. Mike Cook then sang "Love the One You're With" and his own composition "Little Tin Soldier." "School Daze" was the Sophomore Class offering with teacher Miss Quick and delinquent, Cindy Ellis. An excellent job was done by Terri Linton with "Touch Me in the Morning" and was followed by David Pitts and

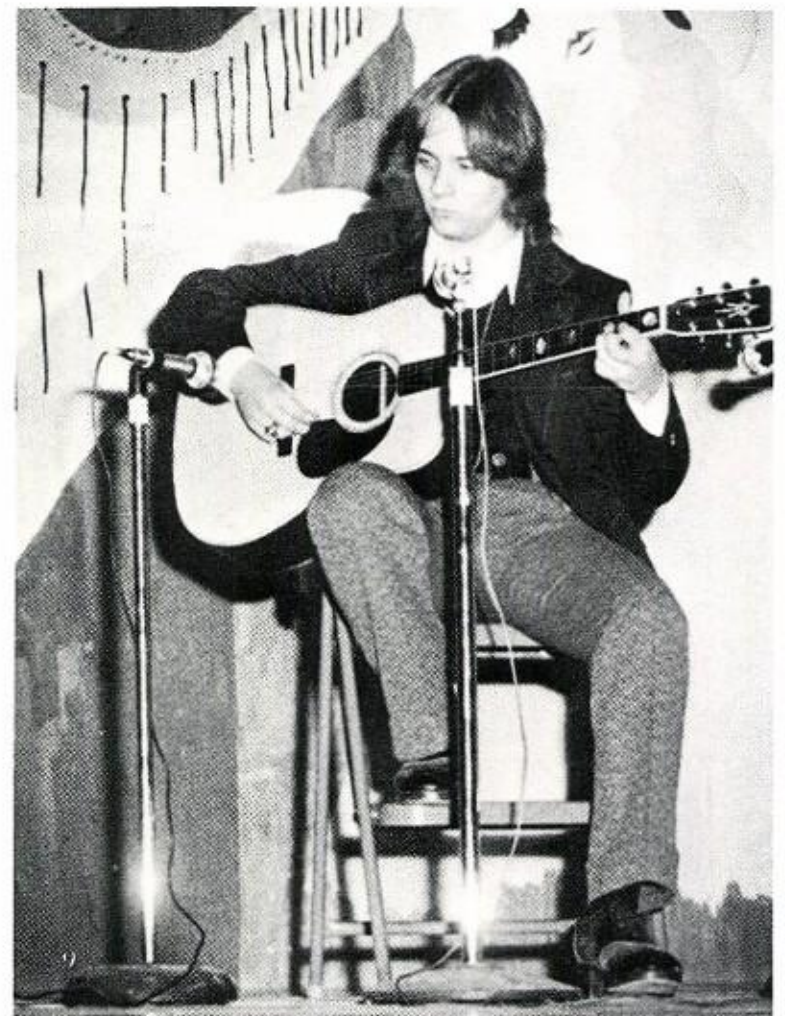

the "Boy and the Bear."

The rookie Seventh Grade girls performed a melody of songs and proceeded Robert Pickett's "Norwegian Concerto." Kelly Quick followed Miss Teresa Walker and her "pop," Alan Quick with "Anything You Can Do" and the first act ended with the repeat performance of "Super Star" by the Senior Hawkettes.

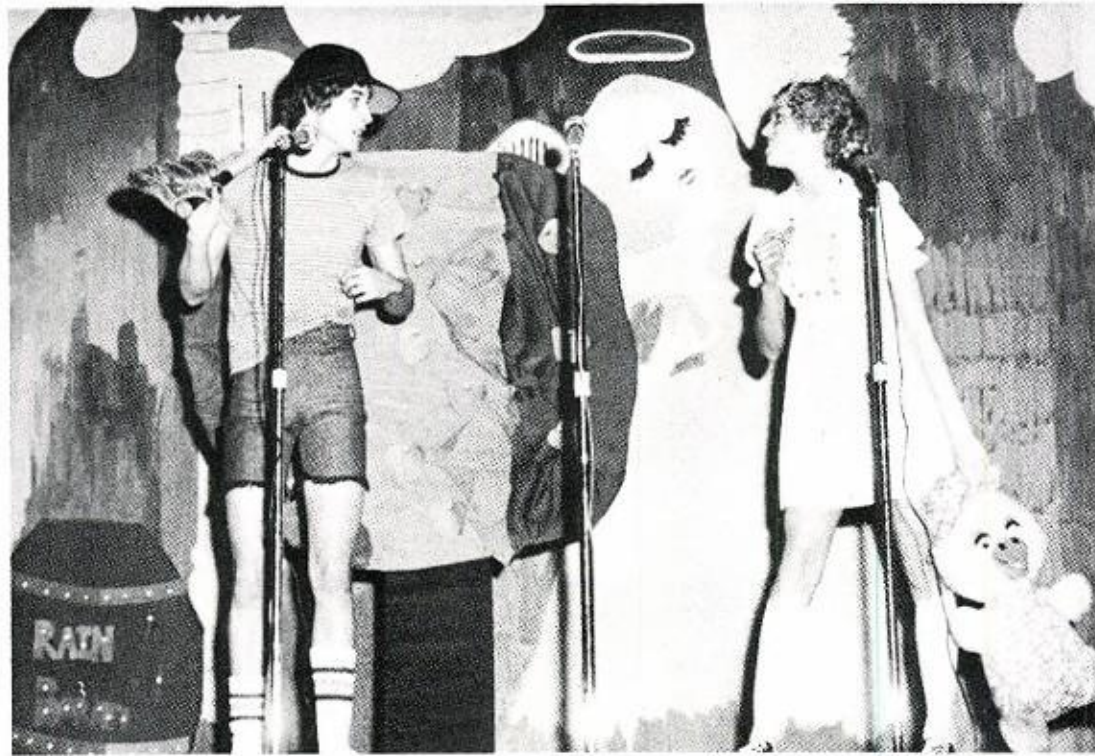

The second act was commenced by a Sound of Music melody by Robert Pickett and Janet Quick and next a guitar solo by Warreny Griffin. The Playmates, Laura Strough and David Johnson, appeared before the second Swing Choir number and "IF I Were Not a School

Girl" by Marlene Barker's group. Next came Rick Gary and the "Beatles' "Rocky Raccoon" and the boys' group with their version of "Beep Beep." Miss Cindy Ellis put out her cigar and donned a formal to play "Tara's Theme" before a heartbreaking performance of "Teen Angel." The crowning act was the Hawkettes and "Cabaret." Closing the show was the choir with the song, "Sound of Music." The show was sparked by humor from Brian Sears and Carl King. Many thanks go to Mrs. Dolens, Mr. LaMar, the Band, Mrs. Owen, and everyone who worked so hard to make Stunt Night '74 a success.

and her prom

Three lovely Senior girls were the stars in the sky as they anxiously awaited the announcement that would make one of them the 1974 Prom Queen. The room was in stillness as Kathy Evoy, Teresa Partlow, and Kathy Pickett took their places for the coronation. A breathless Kathy Pickett heard her name and received a lovely tiara and a dozen roses. Escorted by her handsome date, Aaron Good, Kathy led off the Dance to the tune of "Cherish". A lovely Queen, a lovely Prom! And a lovely time was had by all.

Starry

A night of glamour and excitement was the reward of all who attended the "Starry, Starry Night" on a beautiful May evening in 1974. The efforts of the Junior class were combined toward one cause as even the boys helped to make the evening one that all would remember. Shades of blue set the scene as starlight and mystery decked the multi-purpose room. Music for the occasion was provided by the Turnabouts as the couples floated away on a silvery cloud of romance.

Stars Spark Hawk Season

The inexperienced varsity Hawks found themselves 3 and 7 after a hard fought season. Highlighting the 3 season were Range-Line Conference victories over Tri-Central and Hamilton Southeastern plus stalling undefeated Hamilton Heights in an overtime before losing 0.

Other honors bestowed to the Hawks included the naming of Jim Haughey, Niles Robinson, Larry Hutchens, and Tom Waitt to the Conference team. Jim Haughey is also named to the All County 1st Team with Niles Robinson and Larry Hutchens being named to the 2nd team. Tom Waitt was named Honorable Mention. Haughey was

named to the All State Junior Team.

At the banquet, Niles was awarded the Most Valuable Lineman and Most Valuable Player, Jim was the Most Valuable Back, and Larry, Niles, and Chuck Rood were named as Most Valuable Defensive Players.

Varsity Honors Given at Banquet

Freshman Hawks Look Promising

The Freshmen Hawks served double duty on the gridiron during the '73 season as they donned the suits of both the Frosh and Reserve teams.

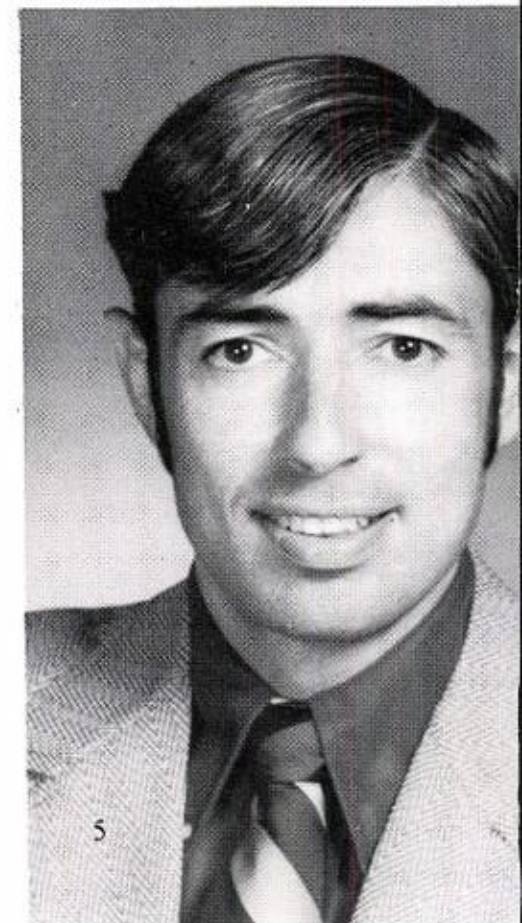

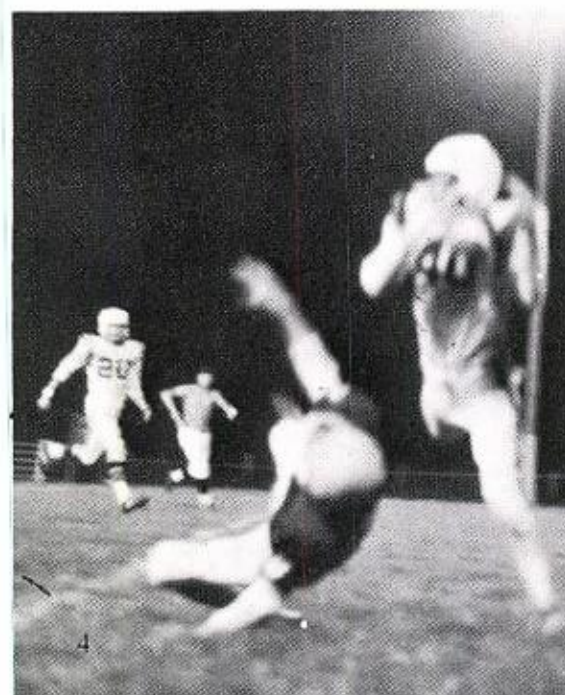

The Reserve team consisted of 14 Sophomores and fourteen Freshmen. The B-team was on the bot in three of their five battles with their lone win against Thorntown. Another highlight of the season was a tie against arch-rival Hamilton Heights. The industrious Freshmen found themselves holding a .500 record after six battles. High points in their season were a 36-0 down of Frankton, a big win over Heights and a mopping of Zionsville.

The Reserve squad each were awarded certificates and gained much experience toward becoming a Varsity Hawk. Frosh coach, Al Youmans, presented trophies to Larry Pickett — Outstanding Linebacker, and Mike Shelburne was named the Most Valuable Player for '73.

With one year of experience under their belts the Class of '78 took their opponents by storm and came up with the best MAHS gridiron record of 1973. The eighth graders teamed up with Coach Russell to bring about the winning combination that allowed them to fall only to the

hands of Westfield.

Spurred on by Jim Hancock (with the most tackles) and Greg Welsh (who made the most points over the season,) the Junior Hawks twenty-four member team made everyone proud with their six wins and one loss season.

Surprising Hawks Capture

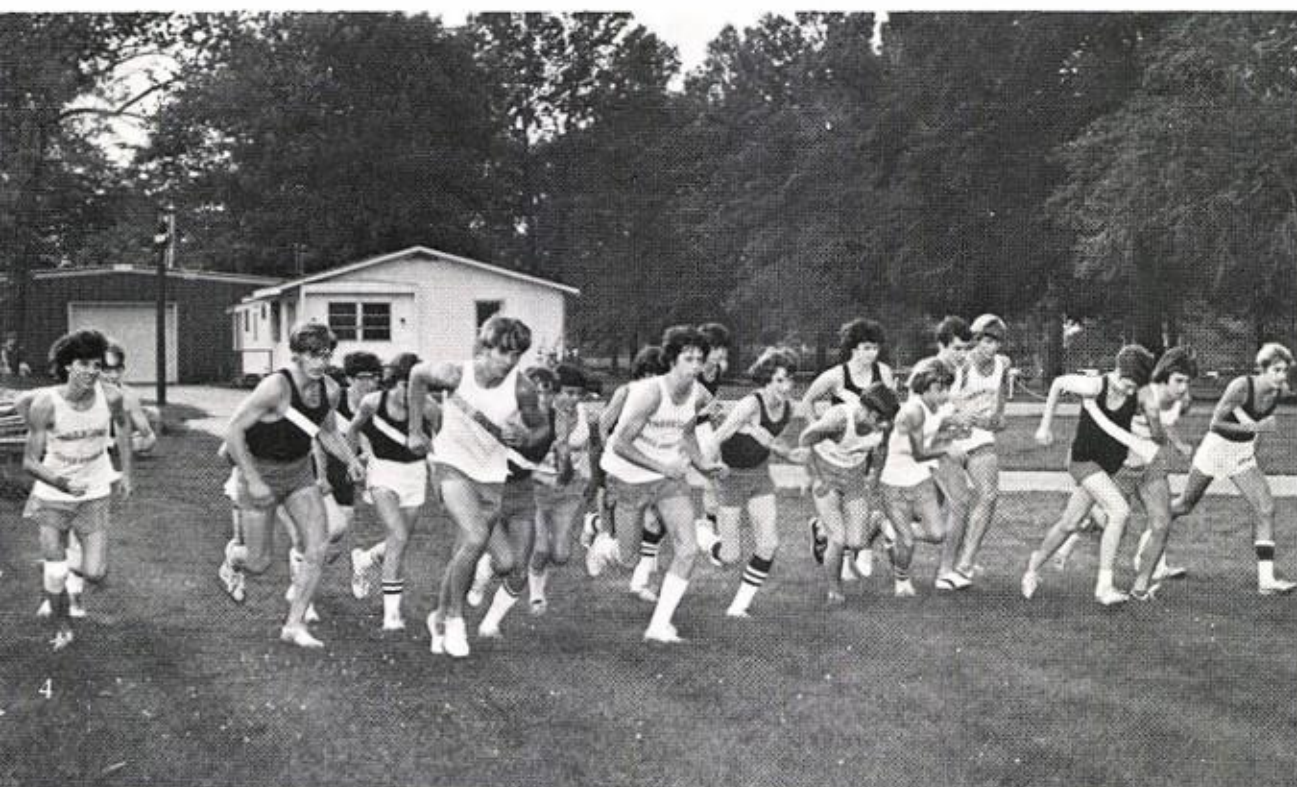

The 1973 Cross Country Team finished with a 6-7 record but surprised everyone and won the Rangeline Conference Meet on their home course. Brian Sears led Coach Bowman's Hawks placing third with Tom Kittinger placing fourth and Rick Stone placing eighth. All three made the All-Conference Team. At the Fall Sports Banquet three awards were given out. They were Most Valuable Runner — Tom Kittinger, Course Record — Brian Sears, and Most Improved Runner — Scott Barker. For Next year's 1974 team Brian Sears will lead the returning lettermen with Scott Barker, Bruce Akard, and Gary Moore close behind.

Hawks end season with 11 victories

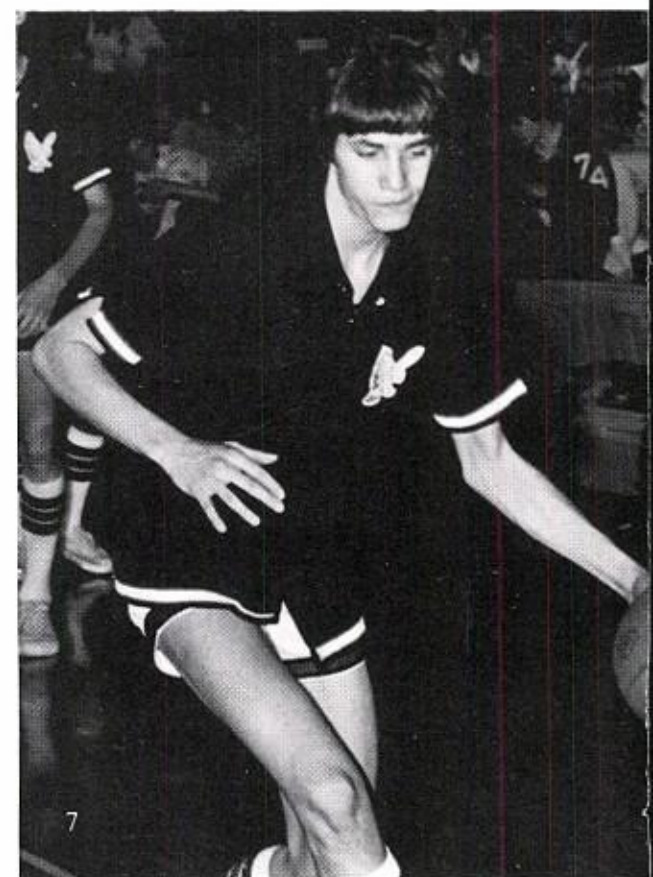

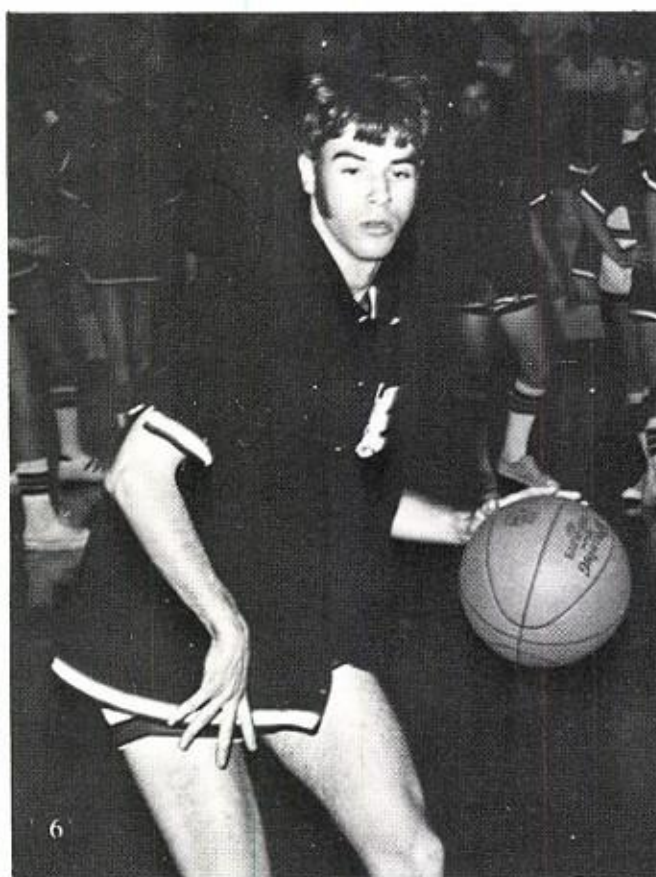

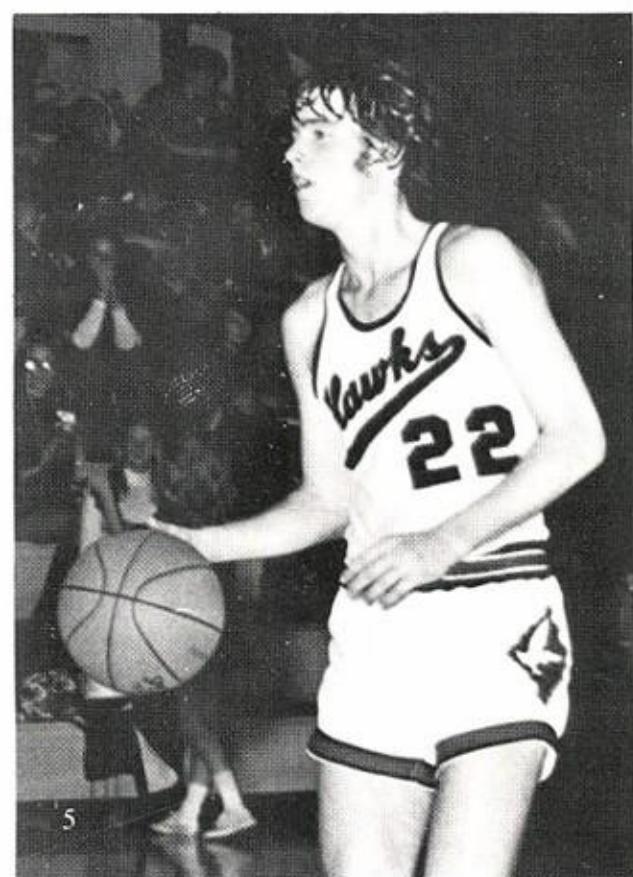

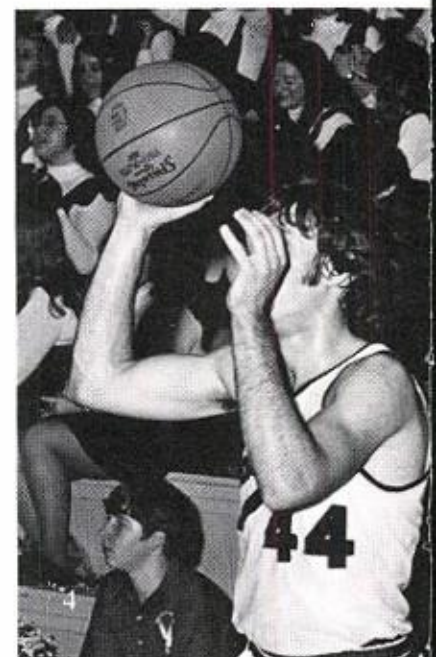

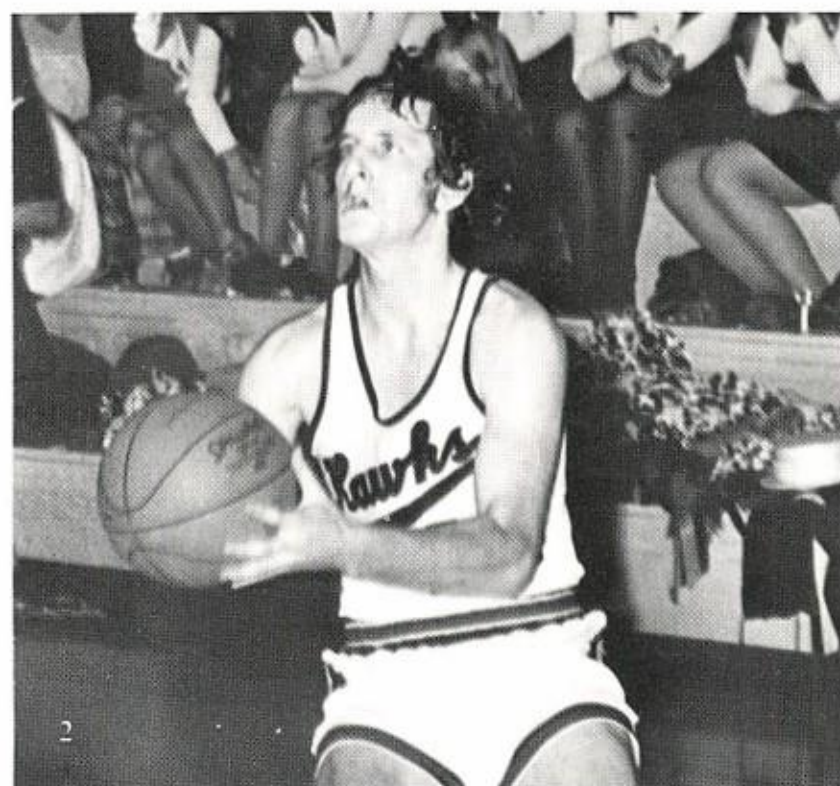

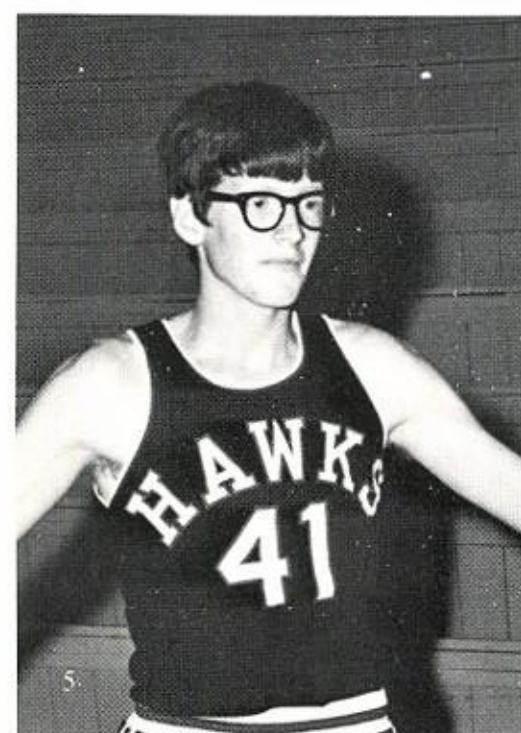

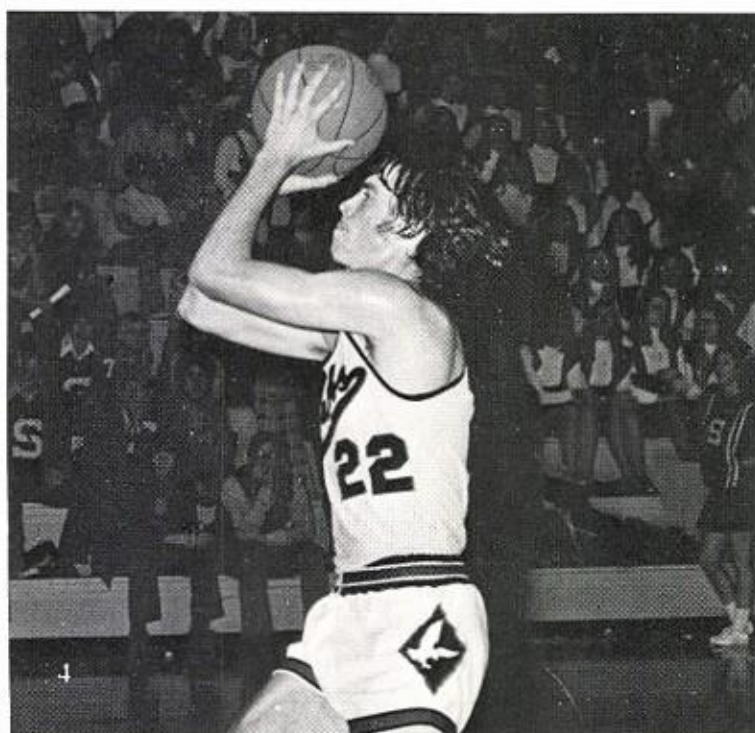

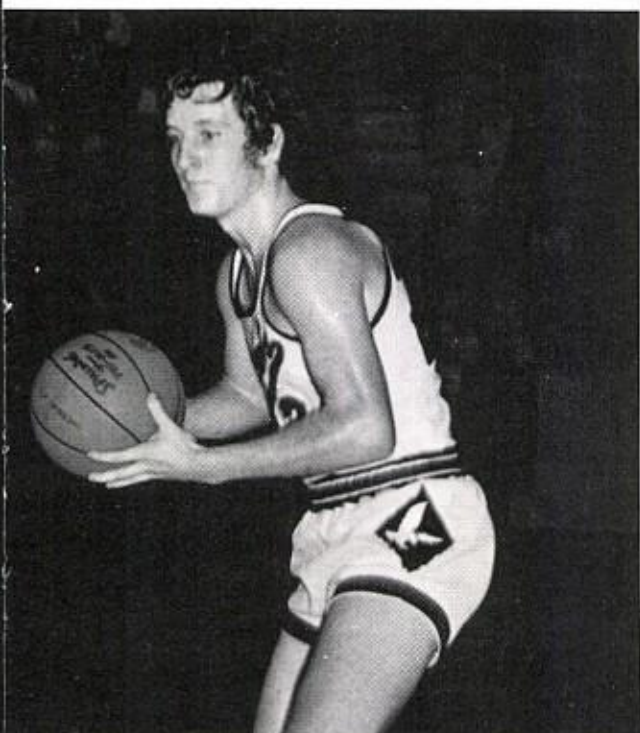

Blackhawks basketball reflected the era of Hobbs during the 1973-74 varsity season. New head coach Bill Collier, who played under Mr. Hobbs, installed new ideas and the Blackhawks produced a season of eleven victories and eleven defeats. He also guided the Hawks to a second place finish in the Range Line Conference.

The Blackhawks, charged with team spirit and enthusiasm, led Hamilton County in many statistics. The most impressive, however, was the Hawks' defensive average of 52.7 points per game. The Hawks also led the county in field goal shooting.

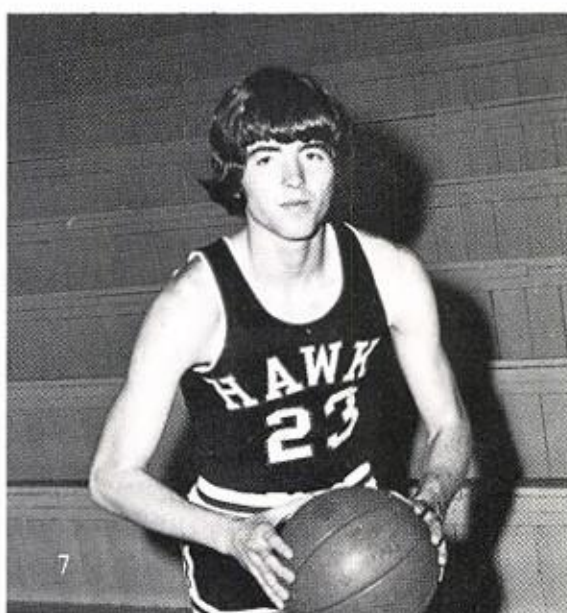

At the banquet, awards were presented to Larry McClay for free throw shooting and field goal shooting. Mike Cook and Chuck Hobson also received awards for field goal shooting and Alan Quick was named defensive player.

Four Blackhawks were honored by being named to award teams. Aaron Good, Mike Cook, and Chad Glun were named to the Range Line Conference team. The trio also was named to the All Country team. Larry McClay was named to the all Sectional Second team by the Indpls. News.

Champions Again

Champions again for the second time, the Reserve team climaxed their season by winning the Sheridan Invitational Tourney. They were led throughout the season by Juniors Jay King, Jim Haughey, Bob Godby and Sophomores Kim Hollingsworth with Scott Barker and Bart Rowland alternating back and forth for the fifth position. Tom Waitt started on the team at the beginning of the season and advanced to the Varsity as one of the starters. The team ended with a 7-13 record and should show great outcomes for next year with the large number of sophomores returning. Their coach was Rex Bowman.

Seventh grade has winning season

The 1973-74 Junior High basketball season proved to be one both the eighth grade and the seventh grade teams will long remember. The eighth grade Hawks finished the season with fourteen wins and only two losses, while the seventh grade had eight wins against six defeats.

Coached by Mr. Hudson, the eighth grade Hawks waltzed through their season with a twelve game victory string.

Only losses during the season came in the hands of Dover and Noblesville in the Junior High County tourney. Wins were over such teams as Westfield, Noblesville, Clinton Central, and a romp over Windfall. Included in their list of accomplishments is a tournament championship.

The seventh grade also had an excellent season for their first year as Junior Hawks. Coached by Mr. Moore, the seventh grade Hawks battled in every game until the sound of that final horn. They were able

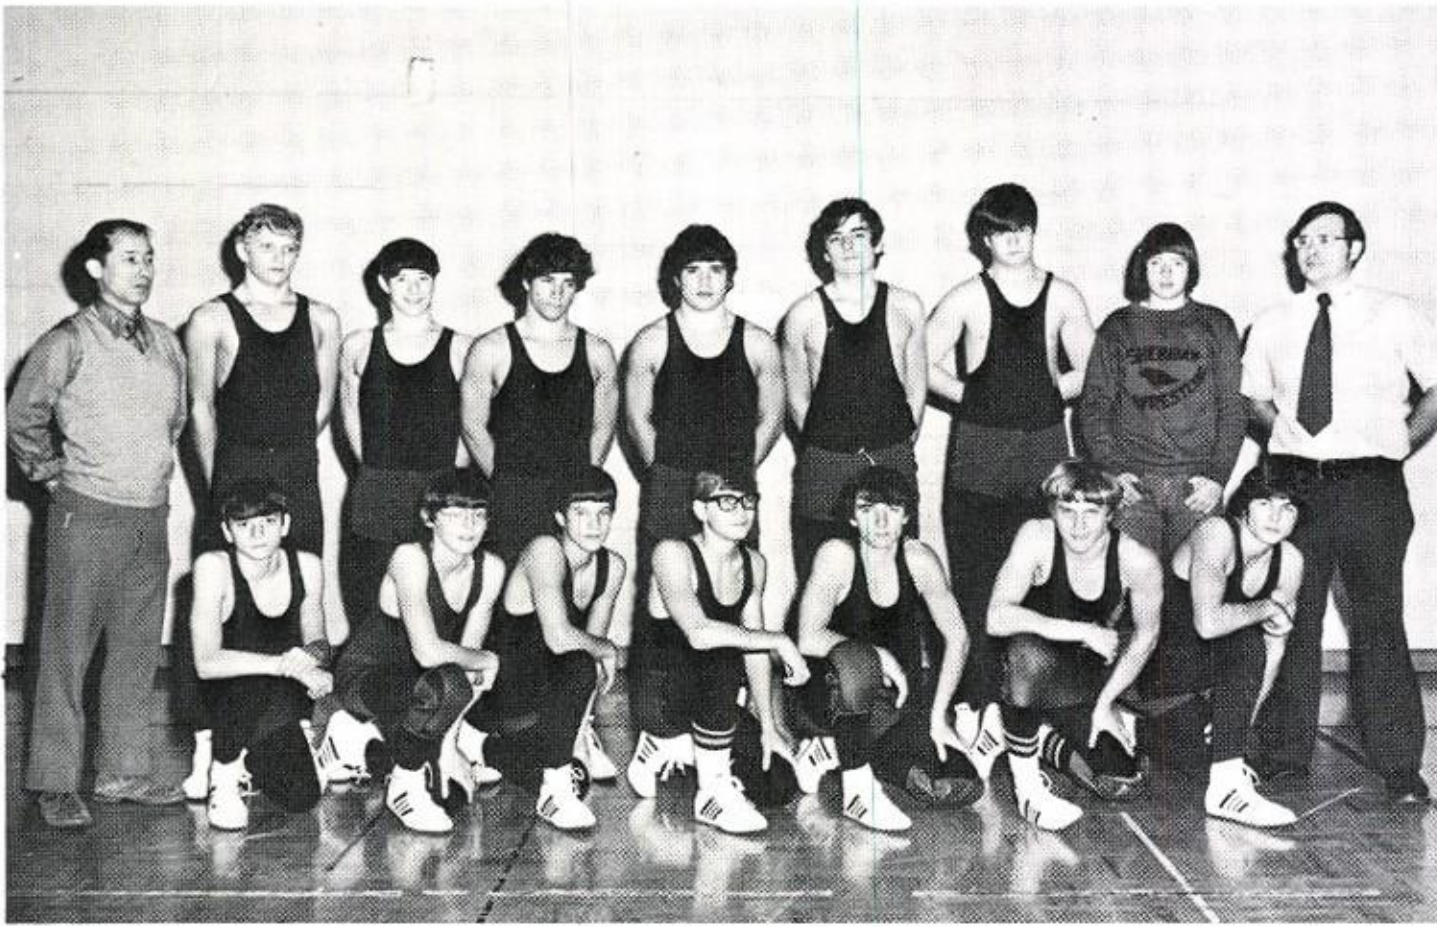

to defeat such teams as Clinton Central, Sharpsville, Hamilton Heights, and Tipton while losing to the likes of Westfield and Noblesville. The young Hawks look forward to their next year as they become eighth grade Blackhawks.

For the fourth year in a row the MAHS grapplers pinned down another winning season. With only three seniors and five returning lettermen. The Hawks finished the year with an even 7-7 record under the leadership of veteran coach, James Sanborn.

Acting as the hosting school for the Range-line Conference, the matmen placed Audie Quick and Tim Heffelmire as runners-up in their division. At the Sports Banquet, Coach Sanborn presented awards to Tony Bailey, Most Improved Wrestler; Dick Faucett — Quickest Pin and receiver of Mental Attitude Award; and Tim Heffelmire — Most Pins and Most Valuable Wrestler.

The Hawks swam against such schools as Yorktown, Pendleton Heights, Noblesville, Lewis-Cass and Hagerstown. These schools, all of which have larger enrollments than MAHS, provided good experience for the swimmers.

Awards presented at the banquet included trophies to Toni Barrick for school records in the 500 and 200 yard freestyle. Bill Ecret was named captain and also set records in the 100 and 200 yard medley and the 100 yard butterfly. Voted upon by the team as most valuable swimmer was Toni Barrick.

Coach Larry Wright and his Blackhawk cindermen got off to an early start in the 1974 Varsity Track season. The Hawks opened the season with three victories in their first five meets. Those opening wins came over North Salem, Pittsboro, and Clinton Prairie. Times got rough, however, as the Hawks failed to win another meet even though fine individual performances were made. Since there is only one Senior on the team, prospects for next year's season look bright.

The MAHS golfers once again took to the links and came away with a fine season for the 1974 golf year.

The Hawks finished the season with a record of nine wins and only five losses.

The linksmen, for the second straight year, finished second to Taylor for the Rangeline Conference golf crown.

Their sixth place in the County Meet was due to the absence of the Seniors. Impressive victories included those over Hamilton Hts., Thorntown, and North Salem.

The 1974 baseball season for the Hawks was sparked by the team's new uniforms. With four Seniors and nine returning players from last year's crew, the team hoped to improve on last year's record.

Guided by Coach Kent Harris, the Hawk diamond men face a grueling

22 game schedule with three double headers, the Lebanon Sectional, and the Sheridan Invitational Tourney.

Included in the schedule are teams such as Rossville, Anderson Highland, and the five other members of the Rangeline Conference.

Volleyball team no. 2 in county

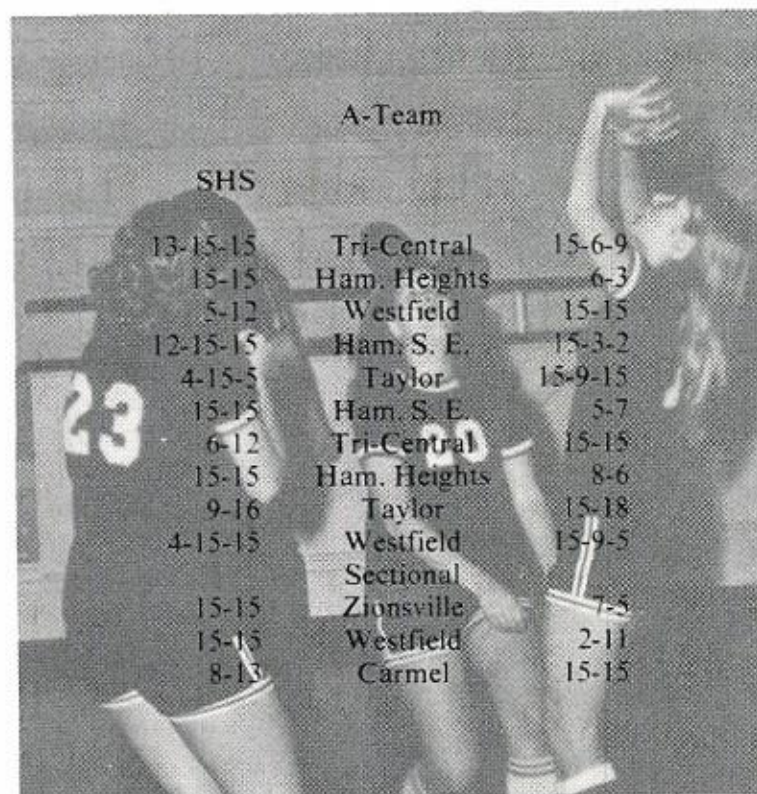

It was the second year for Coach Leslie Ellis and also the second year for the IHSAA girls Volleyball Sectionals. All Hamilton County schools, who had teams, were at the Carmel Sectional, plus the team from Zionsville. The first match for Sheridan was against the team from Zionsville in which Sheridan won. The following night Sheridan was to play Westfield to see who would play in the final match against Carmel. Sheridan had never won against Westfield in volleyball till that night of the Sectional. Sheridan defeated Westfield but lost a close and long battle with Carmel to receive runner-up honors. Later on in the regular season action, Sheridan played Westfield and came up with a well awarded Victory to place Sheridan 3rd in the Conference.

The Marion-Adams' Social Sciences Department consists of the History subjects and Sociology and Psychology.

This year both sociology and psychology were taught by a new teacher to the MAHS system, Mr. Collier. He instructed the classes on human behavior and the organization of our society.

History classes were taught by Mrs. Stahl, Mr. Kouns, Mr. Wright, Mr. Moore, Mr. Collier, and Mr. Blotch. History-type classes offered include: Government, World Geography, World History, United States History, American Problems, and Junior High Geography and History.

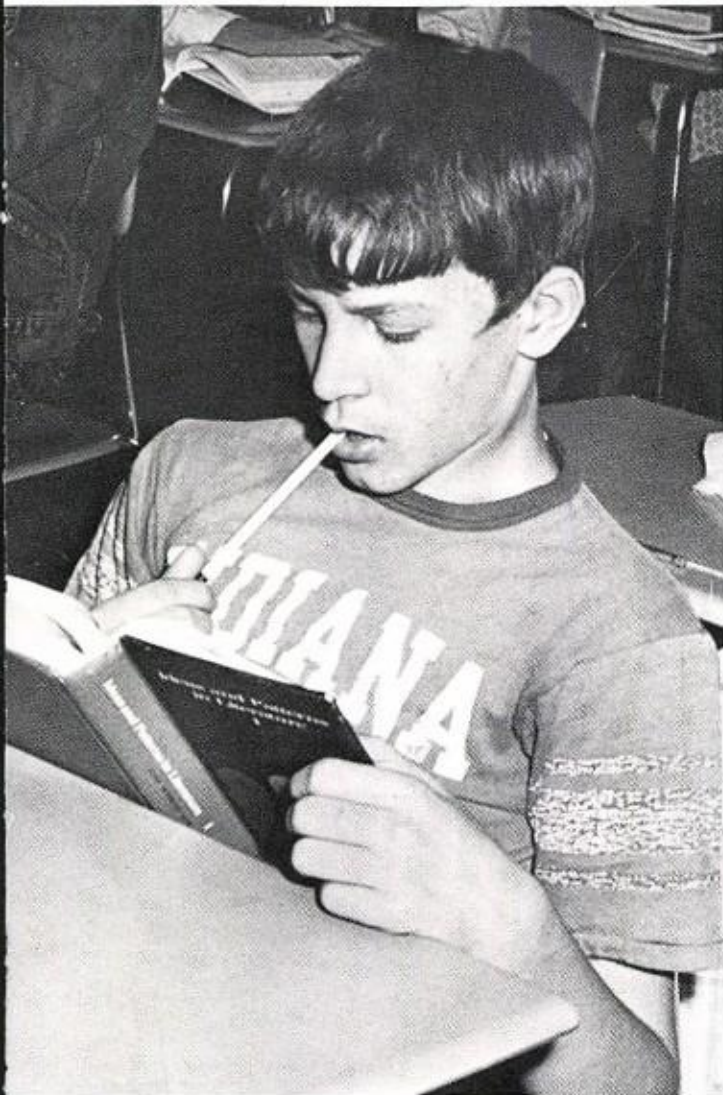

“Does history repeat itself?”

“Correct grammar is a must!”

“Correct grammar is a must in today’s society.”

This familiar saying is that of the teacher in the Language Arts Department, better known as the English Department. Many a time have our English teachers striven to pound into our minds that words such as “ain’t” just don’t exist, but we just couldn’t seem to understand this simple statement.

English is taught at all Levels, both high school and junior high. High school students at MAHS have a variety of English classes to choose from: Great Novels, Speech, Bible Literature, Journalism, Paper Staff, and Annual Staff. Now ain’t it nice to have such a good variety! (Whoops, I forgot.)

Live language at MAHS

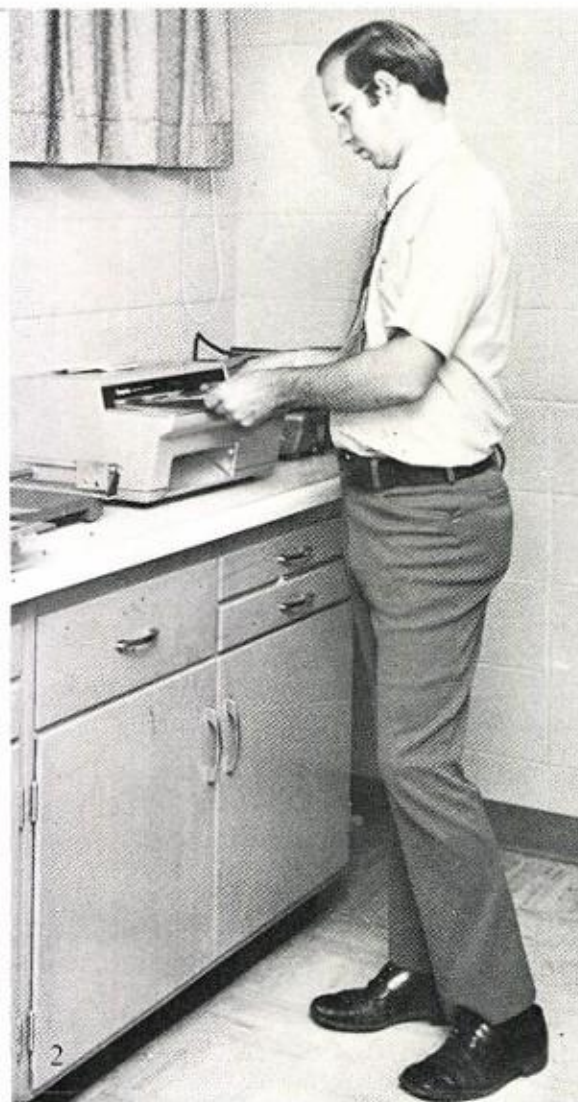

The Foreign Language Department of Marion-Adams High School expanded this year with the addition of new teachers. Mr. Salley became a member of the MAHS faculty and added German to the list of foreign languages offered. In addition, Mr. Salley taught the Latin students.

Also new to the faculty of MAHS, was Miss Dunn. A graduate of Ball State University, Miss Dunn instructed the students in the art of speaking Spanish.

MAHS Library: A good place to study

Defined by Webster, the library is "A place in which books, manuscripts, musical scores, or other literary and artistic materials are kept for use but not for sale."

The MAHS library is under the supervision of librarian Mr. LaMar. Many students find the library a place to go for "resourceful work."

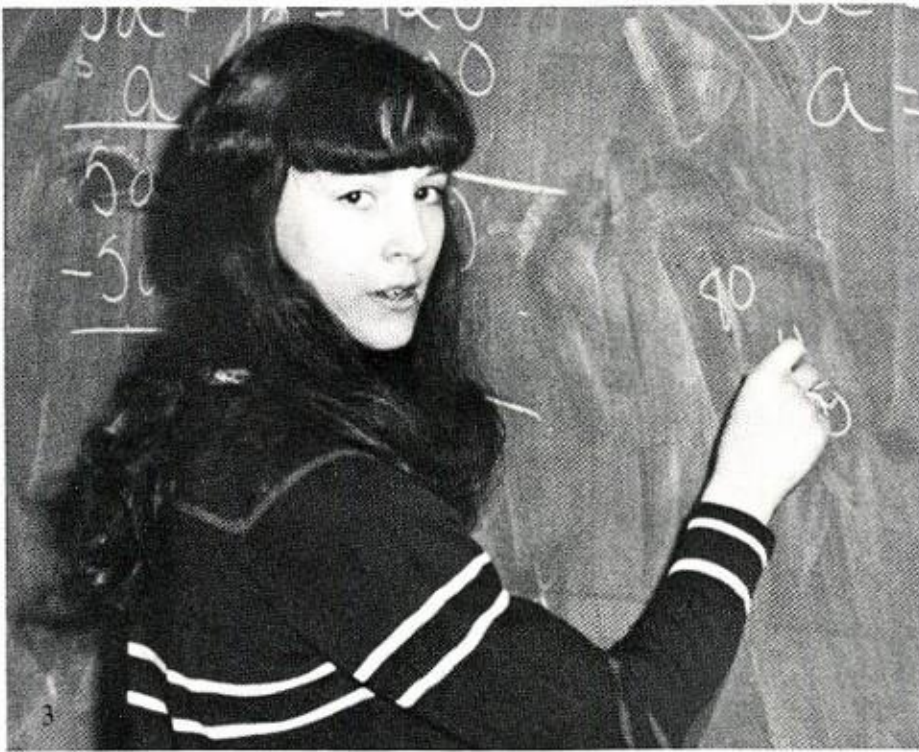

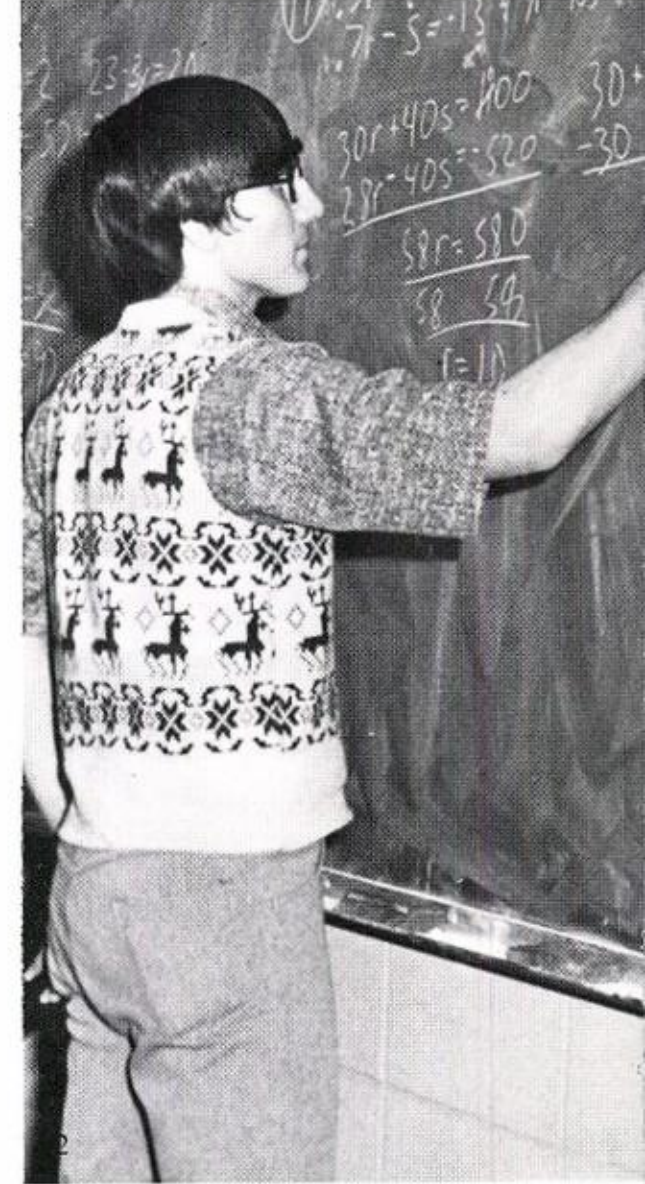

Other students find it as an escape from the clasps of a boring study hall.

In either case, the MAHS library offers useful research and reading information to those students who wish to use them. The library continually attempts to keep the students up to date with such devices as tape cartridges and micro-film projectors. A thanks is in order to Mr. LaMar and his library staff for a good small-school library.

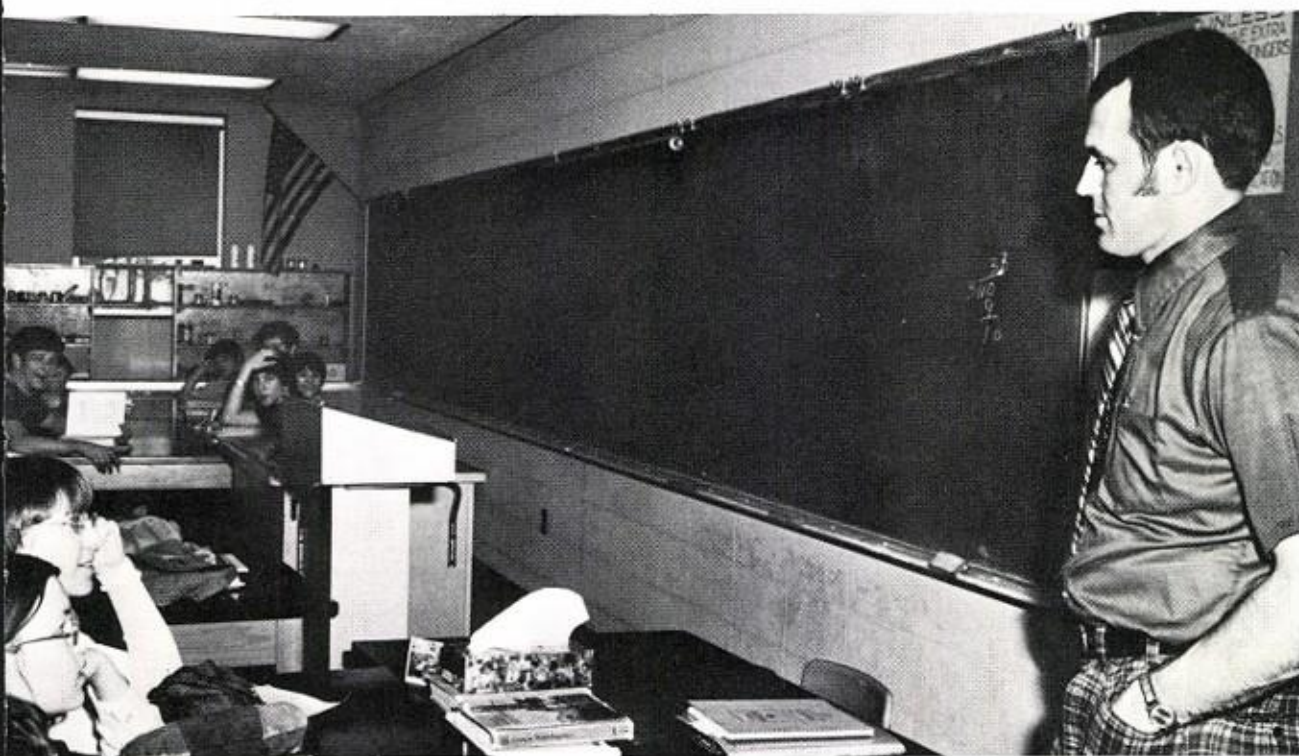

1. Mr. LaMar shows the library to incoming seventh graders. 2. A librarian's duties are many and varied. 3. Jamie and Cheryl find the library a good place for researching a project. 4. Marylee spreads "sunshine" at a Sunshine Society meeting in the library. 5. Sharon looks for a good book to read. 6. Debbie and Rick study the Blackhawk Broadcast!?!

challenge eager minds

Students at Marion-Adams High School have good opportunities for excellent backgrounds in both the fields of mathematics and science.

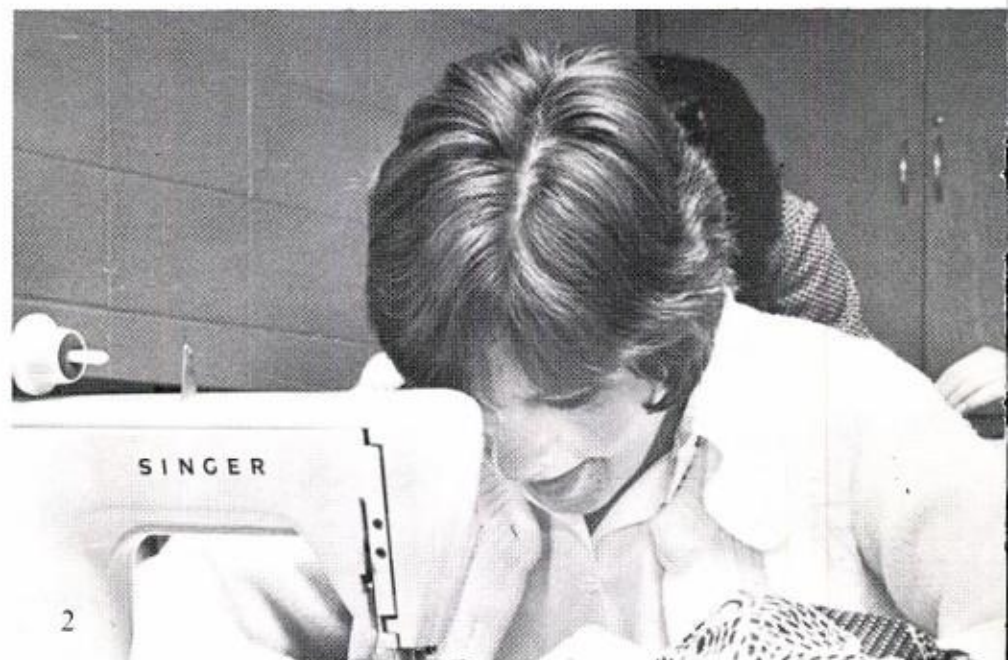

Headed by Mrs. Dunn, the Math Department offers a wide curriculum for those students interested in mathematics. Courses include General Math, Algebra 1, 2, 3, and 4, Geometry, and Senior Math — Trigonometry and Analytical Geometry.

The Science Department is headed by Mr. Ross and offers a variety of courses. General Science and Biology are offered at the Freshmen level. General Chemistry is offered to interested Juniors and on the advanced level are Ecology, Advanced Biology, and Advanced Chemistry.

C'mon, Alese, you got'ta have material in the machine before you can sew! 5. I knew I'd do this wrong. 6. Sherri, Karen, and Debby are busy at work in their Home Economics class.

The Home Economics department continued its practice of preparing both men and women of MAHS for the future as Mrs. Borgninni led the bachelor living class and both she and Mrs. McColgin aided the gals in 1974. Among the boys projects were sewing and cooking. The girls' studies involved family living, food studies, and the development of sewing skills. Home Ec. also begins in Junior High as the girls learn the basics of being a good homemaker. An added attraction to several girls' classes were lone gentlemen.

aid to those students, both
male and female, who are pre-
paring themselves for a career in
the field of agriculture. Headed
by Mr. McKinney, the depart-
ment offers basic agriculture and

Junior and Senior courses of
plant sciences, agriculture man-
agement, soil science, and animal
science.

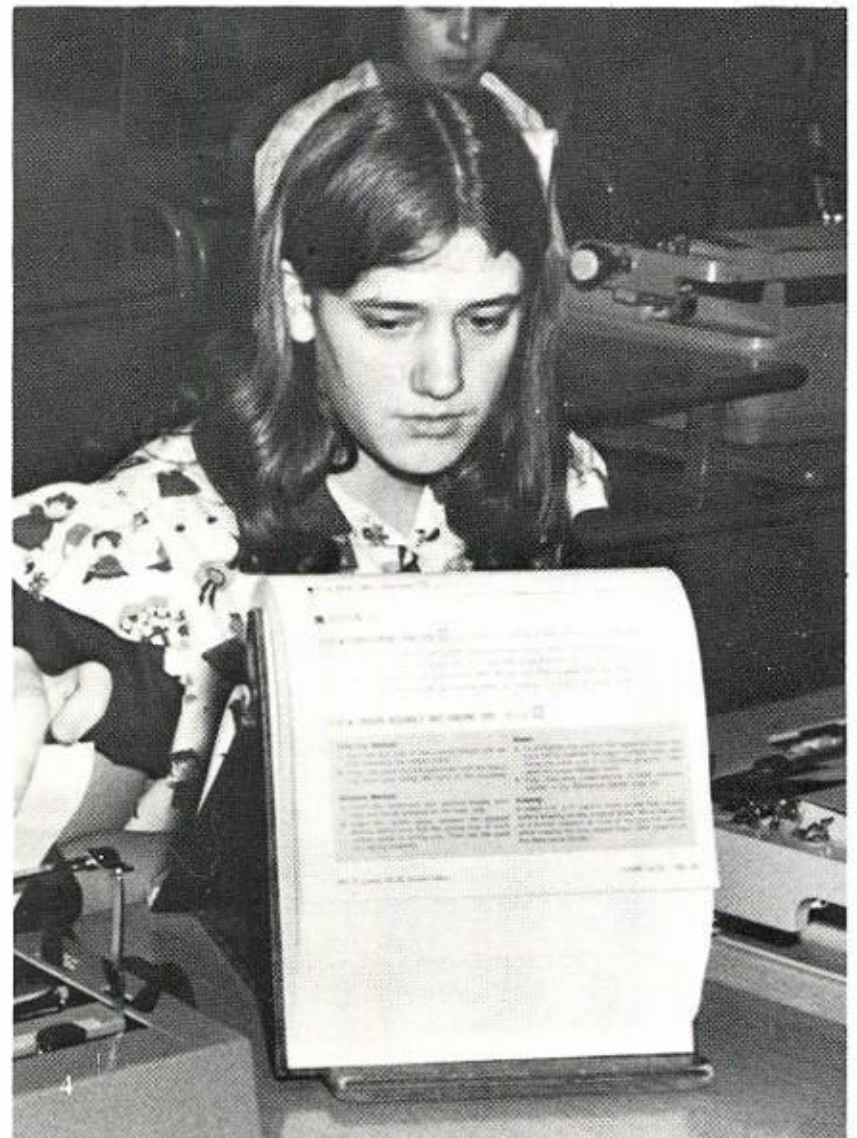

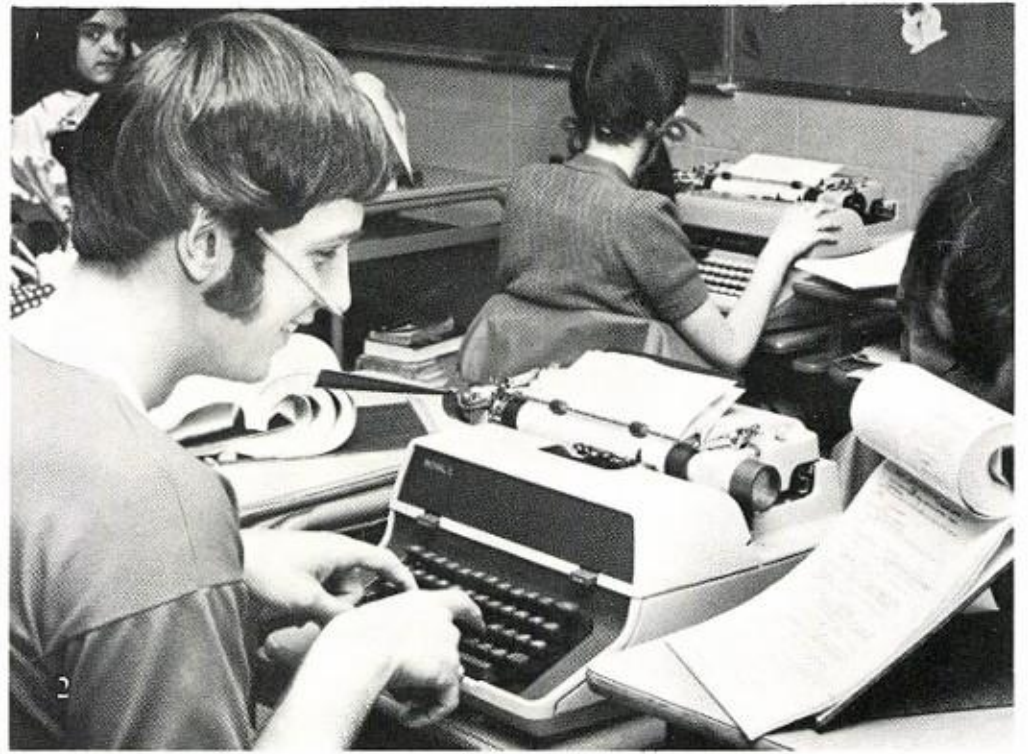

Business hands

The business department of MAF was once again under the direction of Miss Pickett and Mr. Hudson. Together they have led to many improvements in the business education area of M-A. Courses are offered in typing, accounting, office practice, shorthand, Business English and law, and salesmanship. The Intensive Office Lab also continued to be a huge success as many senior girls prepared for their future in the many secretarial fields. The success of the project was further established by the successes of the 1973 graduates of the program.

Industrial Arts develops skills

Eight classes under the heading of Industrial Arts are offered to the students of MAHS. The Industrial Arts Department is under the guidance of first year teachers Mr. Baria and Mr. Cook. These two men with their department head, organize all the material and curriculum to be offered in this department. Classes offered to the students of MAHS include: Exploratory Industrial Arts, Mechanical Drawing, Architectural Drafting, Cabinet-making, Carpentry, Machine Shop, Manufacturing, and Power Mechanics.

1. Randy demonstrates how to use the drill in class. 2. Concentration is a must in this business 3. Now, you do it like this. 4. Meet the camera bugs in Shop class. 5. Music, Art acquaint us with culture

For the intellects of MAHS, it's the Fine Arts Department.

The department offers courses in the fields of art and music. The art classes are taught by Mr. Sanborn.

Junior high through high school students are given the opportunity to show their artistic ability in the MAHS artroom.

Mrs. Dollens and Mrs. Owen are in charge of the MAHS music department. Mrs. Owen is responsible for the performances made by the MAHS Marching Blackhawks, the high school band. Mrs. Dollens is the director of the high school choir and swing choir. She also teaches music to the junior high students at Marion-Adams.

The hope of MAHS

This year the Student Council took on many new projects. They changed from having Citizens of the Month, to having two Citizens of the Year. They also developed a new system for electing cheerleaders. To promote scholarship, they gave awards to the members of the Honor Society. So with these new projects and the old projects accomplished, the 1973-1974 Council retired to let the new Council take over.

The light of MAHS

The Marion-Adams chapter of the Honor Societies held their initiation on Wednesday, March 20. The societies set as their purpose to increase the desire for scholastic achievement at MAHS.

Members are selected on the basis of character, personality, achievements, and personal appearance. There are two chapters in the system. One is the Junior Honor Society and the other is the Senior Honor Society. Both are sponsored by Mrs. Gary.

They served watermelon, made signs for the lockers, and made Victory Boxes for the team, served the Cross Country pie and ice cream, served the team cake for the Tourney, served breakfast, decorated pillow cases, and made signs to wear all week for the team, planned pep sessions, Sneaker, Kiddie, Old-fashioned, Hat, and Color days for Sectional, and drove Mrs. Harris crazy.

Under the guidance of Mr. Kent Harris and president Alan Quick the Sheridan S-Club enjoyed another successful year. Members of the S-Club are chosen when they receive their Varsity letters for any varsity level sport.

The purpose of the club is to band together the athletes who have reached the varsity level. They raise leaves last fall for the Sheridan community as one of their projects. The climax of the year came when they held their annual picnic and the presentation of the Athlete of the Year Award to Aaron Good.

GAA granted honor jackets

The GAA Club, with the sponsor Leslie Ellis, had a great year in both sports and activities. The club first sold the leftovers from last year then started on the Selling of bulletin boards.

Mrs. Ellis suggested that the club could go to Kings Island at the end of the year. President Dayna Stout presented this idea to the girls and the date was set for May 25, 1974. At last the club was able to afford Senior jackets for Girls. Some boys resented Girls wearing "S" jackets. They finally received them through the athletic department.

Two clubs that go hand-in-hand are the Future Homemakers and the Sunshine Society at MAHS. The Sunshine Society found itself a new sponsor in '74 as Mrs. Wilma Smith stepped up to the duty. Mrs. Helen McColgin was the FHA leader once again. The busy FHA girls sold calendars and collected for the March of Dimes as some of their projects. President Sherri Akard boosted the morale and served as the ringleader.

The chapter was honored by having Dayna Stout elected as the District V president. The Sunshine Society sold popcorn as their money-making project to raise money for the Riley Fund. Other projects included electing monthly Ideal Girls and the naming of Marylee Waitt as the Ideal Girl of the Year. The year 1974 proved successful for both clubs.

MAHS marching Blackhawks

Shiny brass horns and big bass drums deck the band room at MAHS in anticipation of each and every golden performance. Mrs. S. Owen once again conducted the Marching Blackhawks through many half-time extravaganzas, concerts, and other performances. The band was lead through their many songs by Andrea Lyon, the 1973-74 majorette. The band attended band day at DePauw, entered marching members in contests and kept up the spirit at Marion Adams High School.

Hawkettes and Twirlers featured at half-time

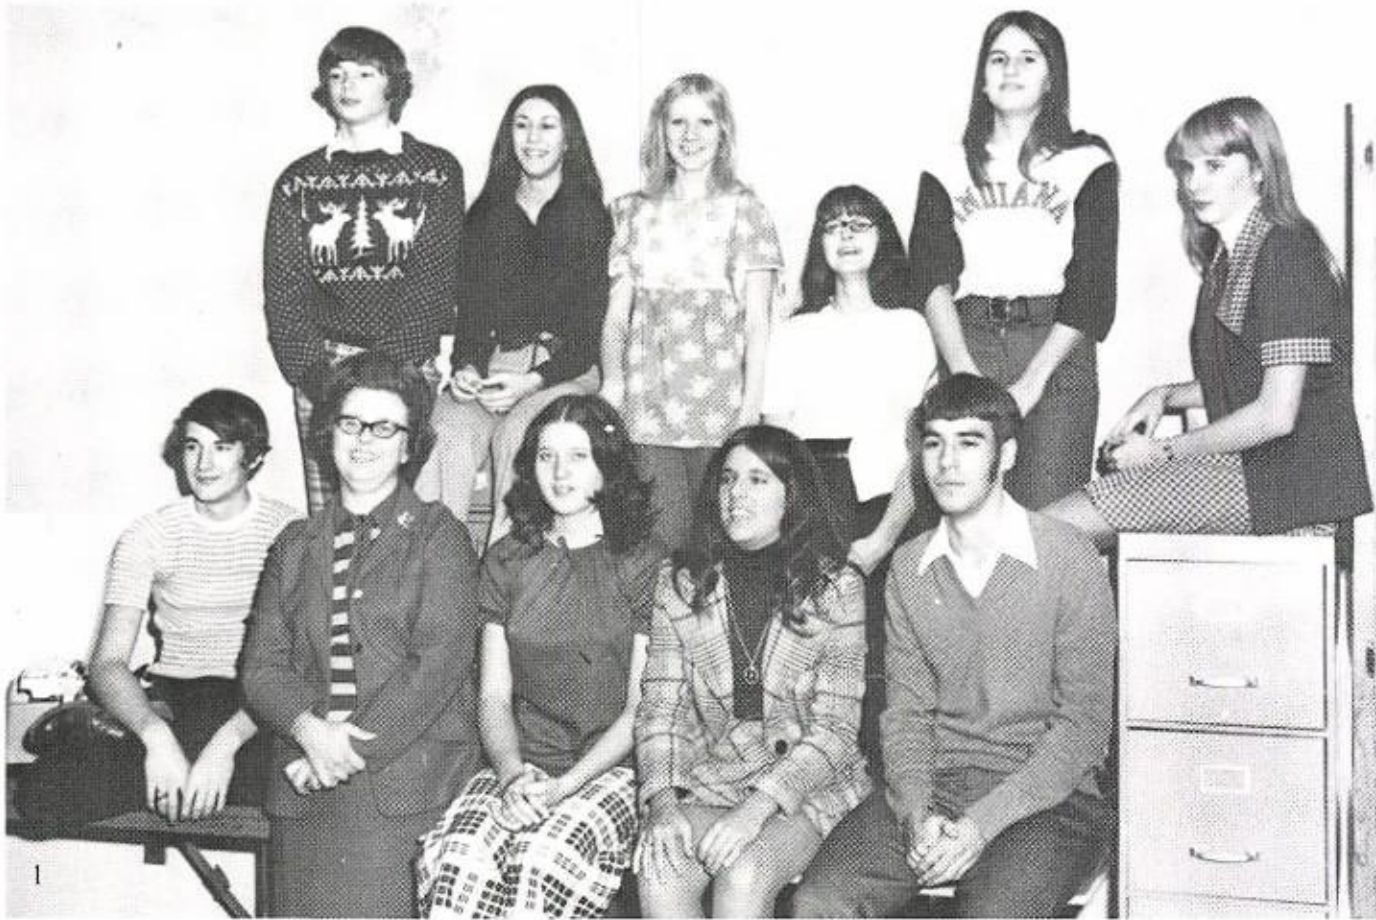

Adding color, life, and beauty to half-time were the MAHS Hawkettes. Lead by president Valri Nichols and sponsored by Mrs. Morgnini, the Pom Pon girls worked diligently to bring happiness to the fans at football and basketball games. The twelve member crew also appeared in pep session skits and Stunt Night. Probably the most popular routine was to "Jesus Christ Superstar" featuring the senior girls.

Deadlines, headaches, and last year's annual. The completion of the 1973 Syllabus fell upon the shoulders of the 1974 staff. Besides meeting their own deadlines, the staffers fought incredible odds and the '73 annuals entered MAHS on January 17. Inspired by co-editors Dayna Stout and David Pitts forged on by first year annual advisor, Mrs.

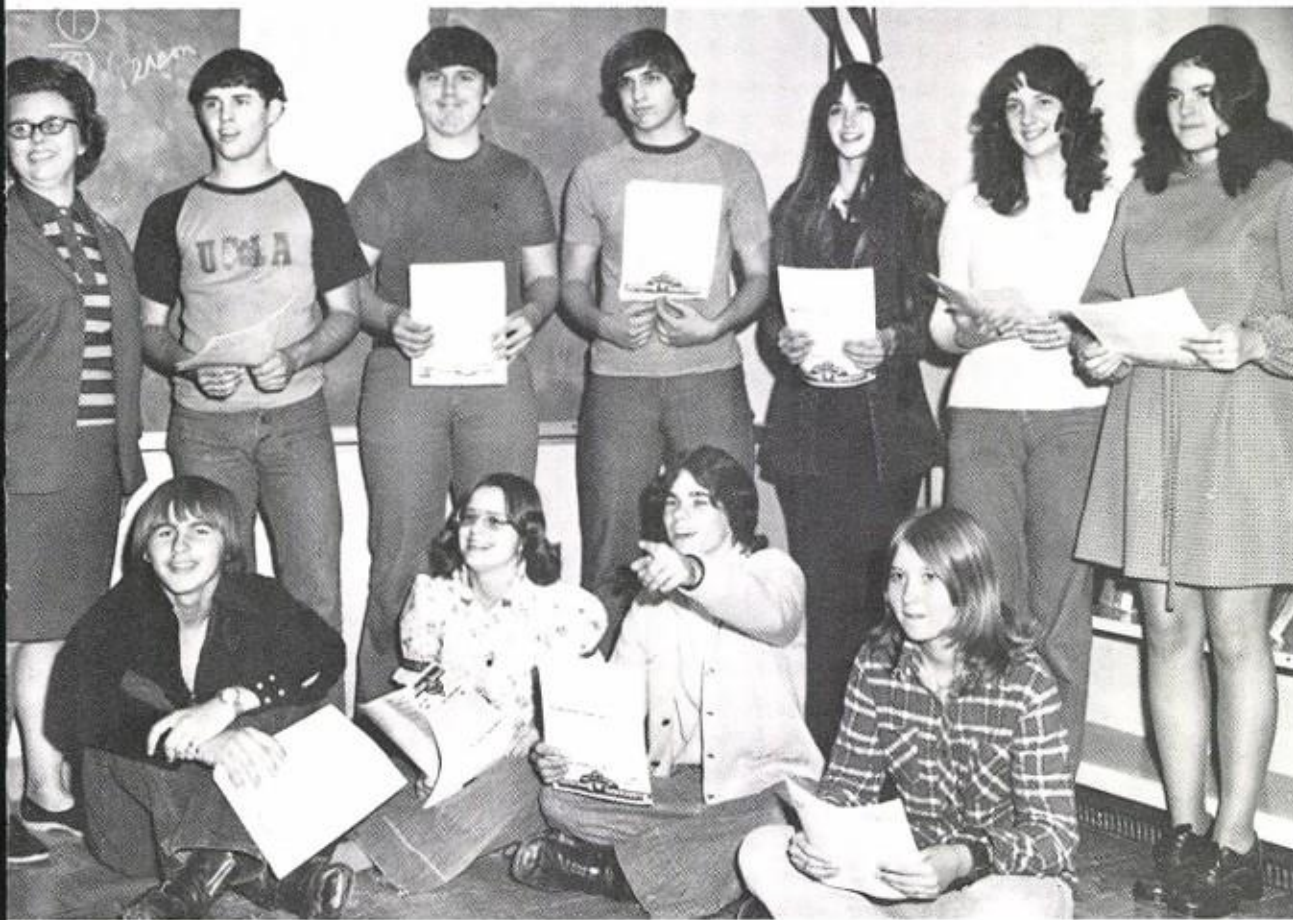

Virginia Reed, the staff ploughed through layouts, copy, captions, and pictures to make this annual a success.

Highlighting this year's book are the colored Homecoming layout, an additional 32 pages, and many extra expenses.

The Blackhawk Broadcast began its 1973 career with a staff of one. A gradual increase over the year brought the total to six. Without the help of the journalism class, the paper couldn't function. The class not only did their journalism work but wrote

the stories for the BHBC. Preparation for the paper began in July when editor Marylee Waitt attended a Ball State Journalism Workshop. The BHBC took on a new look and went from two columns to three and many improvements were made.

The Future Teachers of America were led in 1974 by Mrs. Gary and Robert Pickett. The FTA encourages the interest of students in the teaching profession.

Many interesting programs were presented including six speakers from Indiana State and a past graduate of MAHS. The FTA proved again that it is a part of MAHS.

The songbirds of MAHS warbled their way through the 1973-74 school year and spread their joy over a variety of performances. Under the expert coaching of Mama Bird Dollens, the harmonious group flew to Castleton Square and gave a stunning Christmas salute. Snow canceled the town Christmas program but the choir did their duty at Thanksgiving, Easter, and Stunt Night.

The Swing Choir "decked in red, white, and blue sang their way through many lovely performances for the public's pleasure."

Future Farmers of America

The Marion-Adams chapter of the Future Farmers of America is sponsored by Mr. McKinney. Under the leadership of President Ronnie Walker, the FFA promotes the field of vocational agriculture, through services performed throughout the community. The FFA once again

took care of their plot to provide actual farm experience. The FFA also earned money by again selling their pens, pencils, and paper, as well as the annual seed sales campaign. The annual FFA Banquet was held in January to cap the FFA year.

Slide presentations of the Awards Trip and the National FFA Convention were included on the agenda. Also, next year's officers were named with Rick Barrick taking over as President and Sarah Young was named the new FFA Queen.

Reflections . . .

More Reflections . . .

Our reflections for the year of 1974 have come to an end

Their dedication and determination made working on the '74 Syllabus a joy. Once again, thanks to all who helped to "REFLECT THE YEAR OF '74."

"Learn as though you
were to live forever;
Live as though you
were to die tomorrow."

The Syllabus for 1974 has come to an end. But before you close its cover, think back. Let your memory recall all those good times — times spent with friends, in the classroom, and in sports. Reflect those good times, for the school year of 1973-74 has become history, never again to be relived. Yes, reflect those days that were enjoyed during the memorable year of '74.

Before our reflections are finished, we must pause and express our gratitude to those people who helped in the production of the 1974 Syllabus. First, we would like to thank Mrs. Virginia Reed, our yearbook advisor, for her guidance throughout the year. Second, we extend our appreciation to Mr. Howard Hoskins and the American Yearbook Company for their assistance. We would also like to thank Mr. Clarence Downey and the Ayres Photo Reflex Studio, the official photographers for the yearbook: the merchants and our patrons, for without their help, the publication of this book would be impossible; and the faculty and administration, whose cooperation greatly aided in the production of the annual. Last, but not least, we wish to thank the 1974 Syllabus staff.
